Spiritual Gardening Caroline A. Baez, 2017-03-15 What do we all seek We seek happiness Many believe that happiness eludes them and this is the cause of much suffering What if you were to discover that the key to happiness resides within you where it has always been What if you've been seeking in the opposite direction for a key that has always been in your possession a key that will release you from a prison of shadows and suffering allowing you to finally bask in the light of inner wisdom and freedom The solution lies in returning to the root of oneself by rediscovering the inner wisdom that abides in each of us Our society our culture and the frenzied world in which we live confront us with daily stimuli and external signals of who we are or should be of what we should prioritize or value and of what our aspirations and successes should model or resemble Hypnotized by a world of illusions we live a reality of half truth an ephemeral world of impermanent pleasures that disintegrate like the ethereal beauty of delicate snowflakes cascading onto the sea Guiding our focus inwardly to our silent inner space we reconnect with the inner master residing in the blooming garden of our True Self Embarking on this intimate journey and cultivating this inner path daily we find refuge in our expansive inner space where we discover the gateway to freedom from suffering and the light of true happiness The intention of this work is to guide readers to their own

inner journey to intimate reflection and to daily cultivation of all that they desire will blossom in their own lives thereby denominating this book and this practice Spiritual Gardening

Frances Langford,2020-10-24 Many people want to know their destiny in life However the world only offers heartbreak and disappointment The world has a system to accept or reject humans as if a machine was designed a program to monitor your thinking and actions it was through the pain of rejection and sin that I came to the fact I wanted to die and not live With two small babies I begged God to take my life and kill me I deserved nothing less but to welcome death with a horrible ending It was ten years later that I received a personal answer from God Instead of replying to my former prayer He gave the opportunity to receive what I have been missing all my life That day was unexpected as my husband came home and gave me the gospel I could not believe what he said was truth Nevertheless one thing I saw that convinced me that I did not have was the way he was saying it He was standing behind a glass door dripping with love and I was not able to cross that door What was that The rest of the story was a divine intervention by the Holy Spirit The next morning I came to the Lord for answers His presence was profound enough to give my life to him I found a God who threw my sins into the deepest sea never to remember them again Micah 7 19 That was the day I fell in love with Jesus and wanted to know all about him He is waiting Just ask in faith believing I can guarantee that he will show up Days of Glory is written for you and to you Author can be reached at and encourages contact defranpeaceonearth gmail com *The Epworth Herald* ,1892
