Longing For Home:

The Longing for Home Frederick Buechner, 1996 In this deeply moving book of reflection and recollection Frederick Buechner once again draws us into his deeply textured life and experience to illuminate our own understanding of home as both our place of origin and our ultimate destination For Frederick Buechner the meaning of home is twofold the home we remember and the home we dream As a word it not only recalls the place that we grew up in and that had much to do with the people we eventually became but also points ahead to the home that in faith we believe awaits us at life s end Writing at the approach of his seventieth birthday he describes both in prose and in a group of poems the one particular house that was most precious to him as a child the books he read there and the people he loved there He speaks also of the lifelong search we are all engaged in to make a new home for ourselves and for our families which is at the same time a search to find something like the wholeness and comfort of home with ourselves As he turns his attention to our dreams of the heavenly home still to come he sees it as both hallowing and fulfilling the charity and the peace of our original home Writing with warmth wisdom and compelling eloquence Frederick Buechner once again enables us to see more deeply into the secret places of our hearts The Longing for Home will help to bring clarity and guidance to anyone who searches for meaning in a world that all too often seems meaningless **Longing for Home** Apollos O. Oji, 1992 *Home* Elyse

Fitzpatrick, 2016-08-02 Heaven Is the Home You ve Been Waiting For In this world of fear trials and loneliness we often feel adrift like we re still searching for a place where we can truly make ourselves at home There s a longing for something more something that makes us feel like we belong something that resonates perfectly with who we were made to be This longing is no small thing to be brushed off and forgotten it s a guidepost letting us know we were made for another world Earth is not our home But it s close What we long for is the new earth the place God has been preparing for our eternity with him In *Home* Elyse Fitzpatrick explores heaven and the afterlife demonstrating that our final destination is not some dull featureless space in the clouds but rather a perfected earth It s a real physical place that we ll explore with real bodies A place of beauty and wonder and free of all death and decay No need to chase a bucket list On the new earth there will be no end of glorious sites and amazing activities and we ll never run out of time to do them all Includes questions for group discussion
