Dock,2012-07-28 The information in this book is just another way of looking at situations in marriages and relationships how a woman chooses a man the dangers that lead to committing suicide Biblical guidance for believers and non believers this book can be used to help women from becoming a victim of abuse or being murdered or stuck in a cage or being a prisoner in their own homes The information in this book will also help women not to wallow in their past mistakes and be able to see warning signs so they wont overlook them this book will serve as guidance to women that when they communicate it keeps them from procrastination and from suffering many painful regrets *LOOKING UP UNTO GOD!* GODSWORD GODSWILL

ONU,2015-04 As Peter put his hope and focus on Jesus Christ and His Word to him he walked on the water but when he removed his eyes from the Lord and looked at the wind waves and the sea he became afraid And that fear brought about doubt and unbelief which in turn made him to begin to sink However when he cried out to the Lord to save him he was saved Putting your focus on the troubles and problems and removing your eyes and attention away from God and His Word leads to sinking and going down However it shall not be so for with us for we will put our trust focus and heart on the Lord God Almighty Do not allow satan the accuser of the brethren and deceiver of men to blind your eyes and mind to the Truth and reality of the Word and Will of God If God has told you to do anything it is because He knows that you can do it no matter the troubles problems and pains that may come to you in the course of doing the task *I Have A Watch But God Has The Time*

Lisa McDaniel,2018-08-07 I Have a Watch but God Has the Time is a personal journey of one ordinary person finding her way back into God s will and trying to sort out the curve balls of life and survive This journey addresses issues and struggles that all women of any age or walk of life can identify with This is a journey of learning to walk by faith in the good bad and disappointing times of life From forgiving family members getting life in the proper order and surviving cancer to life surprises you never saw coming All the emotions woven in a lifetime are in this story I Have a Watch but God Has the Time is

a short inspirational story of how God is in the details and His timing is always perfect in every aspect of our lives This story will make you cry and laugh but leaves you knowing God has the time Why Are You Looking for the Vase When God Has Given Clay? Rosalind Harris,2006-04 Quick Fix: Seven Steps to Happiness Dr. Bonita C. Glover,2014-01-03 With happiness fleeing from those who once had it and becoming an elusive dream for many it is important to provide an answer to the question How do I find happiness Even though happiness is as abstract as the air we breathe both provide evidence that they exist The proof of the lack of air is death and the proof of the lack of happiness is unhappiness misery and discontentment lack of joy and gratefulness and being disgruntled and dissatisfied Happiness is obtainable when we are willing to do whatever it takes to get it In finding happiness we must remember that walking through this life is not all about us Its about who we are through the creator finding our purpose and destiny so we can live happy fulfilled lives and live life in according to the plan that was designed for us individually It is important to find happiness not only so you can live a better life but also because the mental status of parents and role models affect the mental stability of the children Unhappy situations happen every day and anyone can recall a situation of unpleasantness death divorce loss of a job demotion etc Even so the question is not whether we have been unhappy but rather whether our level of happiness over time is strong enough to bring us back to the momentum on the continuum of happiness If you are uncertain about your happiness A Quick Fix Seven Steps to Happiness offers a guide to help you find your happiness **Look What God Has Done** Arletta Lockett,2011-05-31 This book of Testimonies is my personal relationship with God His love drew me unto him when I was a little girl As a teenager He stayed with me through my mistakes Now as an older woman I know God as my savior healer way maker protector and a friend God is the lover of my soul I have learned to listen to God s voice and to let His word be my light and guide in the journey of my life Revelation 12 11 And they overcame him by the blood of the Lamb and by the word of their testimony and they loved not their lives unto the death Deliverance from Toxic Memories Ken Harrington,Jeanne Harrington,2013-11-19 Bondage to the past is not God s plan for your present When a young elephant is chained up by its trainer the animal s initial response is to try and escape Several attempts later the elephant recognizes that freedom is not possible and accepts the chains as normal Once this is learned the trainer can use a simple rope to hold one of the most powerful animals The same thing happens to many people with their minds They become used to unhealthy patterns of thinking and destructive memories Sadly it becomes embraced as normal life This is not God s perfect will for you Authors Ken and Jeanne Harrington provide extensive research and relevant Bible teaching empowering you to experience freedom today by Understanding how toxic memories negatively impact your physical and spiritual health Exposing the lies you believe about yourself and replace them with transformational Truth Positioning you to live in the love and complete forgiveness of God Reclaim your memories and take your life back Long Way Back Brendan Halpin,2015-03-31 Francis has two childhood encounters that shape his life one with God and the other with Dee Dee Ramone When his life falls apart in

adulthood Francis feeling betrayed by God turns to his other spiritual mentor emerging as that rarest of beings a middle aged punk rocker A love letter to punk rock and the spiritual power of music Long Way Back rocks through grief and tragedy toward a new beginning for Francis and an ending sure to make even the hardest of hardcore punks cry **Seven Lectures for the People** John Page Hopps,1861 *You Are Wonderful* Paul F. Helm,2013-11-01 Gods Mysteries and Paradoxes Looking through the Glass Darkly is a book about paradoxes and how they were actually created by God to bring unique enlightenment but also to confound the so called earthly wisdom Paradoxes also keep believers humble by showing them that Gods ways are not always mans ways For this is what the high and lofty One sayshe who lives forever whose name is holy I live in a high and holy place but also with him who is contrite and lowly in spirit to revive the spirit of the lowly and to revive the heart of the contrite Isaiah 57 15 This book introduces the reader to the ancient idea of The Divine Paradox written by Hermes Trismegistus thrice great in The Divine Pylander An additional book Corpus Hermeticum was translated by Marsilio Ficino during the early Renaissance and helps frame the philosophical paradox of nature versus faith This book along with other fragments written by Hermes Trismegistus was translated in the early 1400s and caused a rebirth of its teachings during the Renaissance Modern secret societies and the occult are using much of the same knowledge to deceive people in the world today Evidence shows Albertus Magnus Roger Bacon and the Knights Templar possessed ancient knowledge and from it gave rise to secret organizations and societies operating today including the Illuminati Freemasons and modern occultists **Alive & Well** Diane S.
