Henry Slingsby (writer of fiction.)

Look Whos A Grandmother:

Looking Through Great-Grandmother's Eyes Geraldine Lee Susi, 2012 Prequel to Looking for Pa and Looking back **My grandmother's guests and their tales** Henry Slingsby (writer of fiction.), 1825 **Upstart** Gale Ets Marie, 2012-02-23 Upstart one of many who do not know themselves ... *Yana Texts* Edward Sapir, 1911 **Figurally Colored Narration** Wolf Schmid, 2022-04-04 Figurally colored narration FCN is narrator s discourse whether in the first or third person that adopts salient features of character s text mainly valuation and designation without signaling the figural part in any way Unlike free indirect discourse FCN does not refer to current acts of consciousness but to typical characteristic segments of the character s text There are two main modes of FCN contagion of the narrator s discourse with a character s text and the more or less ironical reproduction of a character s text in narrative discourse In the latter case the narrator s criticism may refer to either the content of the character s text or to its form of expression This study begins with a definition and an example of FCN as a narrative device followed by an analysis of terms used for FCN in German Anglophone and Russian literary criticism Building on the perception of FCN as a phenomenon of interference between narrator s and character s text text interference this book analyses the function and applications of FCN in narratives written in German English and Russian *Yana Texts* Alfred Louis Kroeber, Edward Sapir, 1911 *St. Nicholas*, 1918 The Downward Spiral Leonard Kreger, 2010-06 The Downward Spiral Beginnings and Endings tells a story about numerous characters and their lives and how they cope with the ups and downs of the world they live in One scene in particular is pivotal and brings them together on a snowy day in Schaumburg Illinois Life will change forever for some in this tale Music plays a large part along with the day to day life that people live and their jobs they report to and how they communicate with others and how they deal with loss It focuses on a mother and a husband and then a son Then it becomes just a mother and son They go through life with problems like everyone and you see how they deal with them and how they get through the difficult times The arguments they have and the love that they find and lose You see how a boy grows up into a teenager and see his likes and dislikes and what he seems to want in life A mother who deals with things not always going her way and just adjusting to it and hoping things turn out for the best We learn about other characters who have smaller roles in this tale but they are as well very important and you fell for them and what they have in relationships and their careers and their families They are out doing the most normal tasks and talking with friends and communicating with their pets They are dealing with the snow and the winter in the Midwest A world can be cruel and it can tear things apart if you re not careful They have no idea what is to come but they are real people with problems and issues and some are in love and some are in the process of fixing their mistakes and they will be in the same place on a cool snowy February Saturday Beginnings and Endings this is true in many senses as this novel goes on Lives and relationships and love and events they all are part of this cycle Some of these things end and some of these begin This world is filled with sadness and darkness and then at the same time it is filled with some happiness and the

characters are set to these feelings and that day A boy and his mother wait outside and wonder what just happened and you have no real answer for him What do you say That wasn't what you expected to see and you didn't expect to hear screams Her husband his father picks them up and they drive off with a new sense of life and a feeling of sadness has taken over them

away the old house and the objects provide clues that Angela and her best friend Alan follow through a web of deceit and danger that ultimately reveals a shocking truth Her grandmother had been helping hide a wanted Nazi war criminal Angela finds a grandfather she never knew she had encounters her real father who threatens to repeat the family violence of the past and tries to help her damaged mother navigate the new changes and accept them Most of all Angela finds that she must face some of the inexplicable unfairness of life just at the moment when she thinks she finally has some answers Everything begins in her grandmother s attic New Perspectives on Mutual Dependency in Care-Giving Adéla Souralová,2016-03-09

Many scholars see caregiving relationships as being based on mutual dependency or interdependency Extensively cited notions of the global care chain or international division of reproductive labour have prepared the ground for analysis of global interdependencies in several domains This book goes further by taking mutual dependency as a starting point for analysing all relationships Using the example of Vietnamese families in the Czech Republic and the Czech native nannies it shows how paid caregiving is contextualized in terms of various relationships between three types of actors employer employee caring for the child and mother child All of these ties are based on ontologically different principles and each of them operates as a piece of a puzzle which is meaningful only in relation to each other Souralov considers caregiving to be a formative activity that establishes ties between the concerned actors whose subjectivities are mutually shaped in the daily practice of caregiving With its stress on mutuality in care work this ground breaking book illuminates the new forms of interpersonal interethnic and intergenerational relationships and highlights the mechanisms and processes in which kinship ties are negotiated and reproduced **The Grotowski Sourcebook** RICHARD SCHECHNER,Lisa Wolford

Wylam,2013-11-05 This acclaimed volume is the first to provide a comprehensive overview of Jerzy Grotowski s long and multi faceted career It is essential reading for anyone interested in Grotowski s life and work Edited by the two leading experts on Grotowski the sourcebook features essays from the key performance theorists who worked with Grotowski including Eugenio Barba Peter Brook Jan Kott Eric Bentley Harold Clurman and Charles Marowitz writings which trace every phase of Grotowski s career from his theatre of production to objective drama and art as vehicle a wide ranging collection of Grotowski s own writings plus an interview with his closest collaborator and heir Thomas Richards an array of photographs documenting Grotowski and his followers in action a historical critical study of Grotowski by Richard Schechner
