Primary Assemblies for Creativity and

Enterprise: 40 ready-to-use assemblies - eBook, *One Boy Missing* Stephen Orr, 2014-01-29 It was a butcher on smoko who reported the man stashing the kid in the car boot He didn't really know whether he'd seen anything at all though Maybe an abduction Maybe just a stressed out father Detective Bart Moy newly returned to the country town where his ailing cantankerous father still lives finds nothing As far as he can tell no one in Guilderton is missing a small boy Still he looks deeper into the butcher's story after all he had a son of his own once But when the boy does turn up silent apparently traumatised things are no clearer Who is he Where did he come from and what happened to him For Moy gaining the boy's trust becomes central not just to the case but to rebuilding his own life From the wreckage of his grief his dead marriage and his fractured relationship with his father may yet come a chance for something new A mystery a meditation on fatherhood a harrowing examination of love and loss a new departure in literary crime from Stephen Orr Stephen Orr is the author of several published works of fiction and non fiction His novel Time's Long Ruin was shortlisted for the Commonwealth Writers Prize and longlisted for the Miles Franklin Award in 2011 He lives in Adelaide A study in character masculinity and specifically the relationships between fathers and sons deftly written Australian Book Review In One Boy Missing Orr realises the slow rhythms of country Australia its language and landscape skilfully It is great holiday reading whether at home or

abroad Australian Bookseller and Publisher Orr creates an evocative landscape the characterisations are truly wonderful and because of that the resolution of the crime at the heart of the novel is less important than seeing how these three can find some kind of peace with who they are and what life has done to them Hoopla Stephen Orr is adept at partnering highly charged associations with emotionally arid landscapes Adelaide Advertiser The novel is not so much a typical crime novel but a more contemplative exploration of the relationship between fathers and sons Stephen Orr spends time drawing out his characters foibles and the novel is all the better for his attention Sun Herald Two of Orr s novels are complex variations on the themes of loss isolation the difficulties of putting a self back together His prose is measured and eloquent his imaginative reach considerable and his next novel worth the wait Sydney Morning Herald Age Stephen Orr s detective is sunnier than Kurt Wallander but his talkative characters and bitter realism stands comparison with Henning Mankell He s a sincere storyteller with a flinty eye for the landscape and the sadness that drives good stories forward Dominion Post Waikato Times Weekend Press Stephen Orr spends time drawing out his characters foibles and the novel is all the better for his attentions Sunday Examiner A study in character masculinity and specifically the relationships between fathers and sons deftly written Australian Book Review A sensitive and sometimes moving look at a man drowning in the sorrows of his past with a prickly relationship with his father and with a child who desperately needs to trust someone A sweetly told tale of fatherhood and loss Kirkus
