## Looking At Buses:

**Bus services after the Spending Review** Great Britain: Parliament: House of Commons: Transport Committee,2011-08-11 The Transport Committee reports that extensive cuts to rural evening and weekend bus services are damaging the ability of many people especially the old young or disabled to participate in employment education or voluntary work and to access vital services such as healthcare and retail facilities In a review of England s bus services outside London after the Spending Review the Committee warns that even deeper cuts in bus services are likely in 2012 13 as local authorities struggle to deal with budgetary reductions and calls for the concessionary travel scheme to be preserved so that the elderly and disabled continue to enjoy free bus travel The Committee also concludes that the concessionary fares scheme was discriminatory because it did not apply to most community transport providers usually independent charities that provide transport such as dial a ride bus services It calls on the Department for Transport to monitor the extent of service cutbacks made this year and to review service provision again after BSOG Bus Service Operator Grant grant cuts take effect in 2012 13 so that it can analyse and draw conclusions about the wider costs and benefits of its policy changes to the country as a whole The Local Government Association should identify and disseminate information about good and bad practice in the delivery of cost effective flexible services including community transport and or area based transport integration And local authorities and commercial operators must consult more widely where services are being changed Looking at Buses Clifford Lines,1984-01-01 **A Closer Look** ,1983 **The performance of the Department for Transport** Great Britain: Parliament: House of Commons: Transport Committee,2010-03-04 In this report the Transport Committee calls on the Government to implement the vision for transport including improved traffic flows on motorways rail electrification and high speed rail reducing greenhouse gas emissions from transport that has been established under the current Secretary of State Lord Adonis The Department has made progress in a number of important areas both recently and over the past decade and has also established a new sense of direction despite a too frequent change of ministers The Committee reviews progress against the Government s integrated transport plan Transport 2010 which was adopted in 2000 Whilst much has been achieved the ambition to build up to 25 light rail lines has not It calls on the Government to publish a comprehensive progress report against the targets that it set itself It also calls for strong action on local bus services which outside London are still not integrated with other local transport services Bus use outside London continues to decline apart from a slight increase after the introduction of free bus travel for older and disabled people The Committee calls for full implementation of the Local Transport Act which gives local authorities powers to introduce bus quality partnerships and quality contracts and for the Traffic Commissioners to be given adequate resources to carry out punctuality monitoring *Buses in Greater London* Peter Tucker,2024-02-15 A lavishly illustrated overview of London s buses from the 1990s straight through to the present day **National Bus Company Service Vehicles 1972-1986: Another Look** Michael Hitchen,2023-06-15 A

Wolfinger,2016-06-07 Philadelphia exploded in violence in 1910 The general strike that year was a notable point but not a unique one in a generations long history of conflict between the workers and management at one of the nation s largest privately owned transit systems In Running the Rails James Wolfinger uses the history of Philadelphia s sprawling public transportation system to explore how labor relations shifted from the 1880s to the 1960s As transit workers adapted to fast paced technological innovation to keep the city s people and commerce on the move management sought to limit its employees rights Raw violence welfare capitalism race baiting and smear campaigns against unions were among the strategies managers used to control the company s labor force and enhance corporate profits often at the expense of the workers and the city s well being Public service workers and their unions come under frequent attack for being a special interest or a hindrance to the smooth functioning of society This book offers readers a different historically grounded way of thinking about the people who keep their cities running Working in public transit is a difficult job now as it was a century ago The benefits and decent wages Philadelphia public transit workers secured advances that were hard won and well deserved came as a result of fighting for decades against their exploitation Given capital s great power in American society and management s enduring quest to control its workforce it is remarkable to see how much Philadelphia s transit workers achieved **Grain and Feed Journals Consolidated (some Issues Omit Consolidated)** ,1905 The X Factor

Alexander Amani,2010-05-07 The X Factor offers a refreshingly new perspective from both sides on a well documented and highly criticized event in world history In so doing it encourages introspection into the human condition and draws sobering conclusions while shedding light into the shadowy world of espionage and child exploitation Xavier Knight an orphaned teenager is recruited and trained as a commando at a top secret base in the U S Along with other orphaned boys aged 10 13 he is then deployed to Vietnam one year after the fall of Saigon April 1975 to operate as a drug courier Under the code name Operation Childs Play Xavier and his peers traffic heroin utilizing the tunnels that are ubiquitously located throughout southern Vietnam Unbeknownst to the children is a plot to assassinate key Vietnamese military and political leaders that the CIA has identified The protagonist Xavier Knight quickly realizes that the stakes are high as he loses friends and his innocence for life forever while becoming an accomplished assassin As The X Factor reaches eleven years into the future Xavier has become a member of the elite U S Navy SEALs The plot shifts gears when a stolen atomic demolition munition device is reported to be heading to Cuba from Russia A chase after the stolen atomic device ushers in the presence of a mysterious and beautiful Israeli agent named Assyria Zalloua Saad The plot becomes more dangerous when the Red Mafia joins forces with a Mexican drug cartel as plans go forward to relocate Heroin operations from the east coast of the U S to California The two crime syndicates become the focus for SEAL team missions abductions and a final show down on the Las Islas de Coronados islands off the coast of Southern California
