Looking For A City In America Down These Mean Streets A Man Must Go:

Looking for a City in America André Corboz, 1992 European historian Corboz takes the previous European analyses of the American city to task centering his critical eye on the terrain of postmodern Los Angeles Down These Mean Streets a Man Must Go Philip Durham, 1963 Tells how Raymond Chandler developed the figure of the hard boiled detective Philip Marlowe from the material and concerns of his own life Metropolitan Landscapes Antonella Contin, 2021-08-24 This edited volume covers many aspects of the Metropolitan Landscapes Solutions are needed to meet the demand of the citizens of a renewed metropolitan region landscape It opens up discussions about possible toolkits for strategic actions based on understanding the territory from geographical urban architectural economic environmental and public policy perspectives This book intends to promote the Metropolitan dwelling quality ensuring human well being proposing a discussion on the resilient articulation of the interface space among the city s infrastructure agriculture and nature This book results from the Symposium Metropolitan Landscapes that MSLab of the Politecnico di Milano and ETSA Sevilla organized at the IALE 2019 Conference Milan July 2019 to manage radical territory transformation with a strategic vision The widespread growth of urban areas indicates the importance of building resilient sustainable cities capable of minimizing climate change impact production The Symposium aimed to discuss the Urban Metabolism approach considering the combination of Landscapes set in a single Metropolitan Ecosystem Accordingly new design strategies of transformation replacement or maintenance can compose Urban Rural Linkage patterns and a decalage of different landscape contexts Ecological interest in environmental sustainability compatibility and resilience is not tied exclusively to the balance between production and energy consumption Thus it is the integration over time and at several scales of the urban and rural landscapes and their inhabitants that nourish the Metropolitan Bioregion Moreover the Metropolitan Landscape Book's research hypothesis is the need for a Glossary strengthening the basis of understanding Metropolitan Landscape's complexity This book's topic is particularly relevant to Landscape Urbanism Architecture Urban disciplines Scholars Students and Practitioners who want to be connected in a significant way with Metropolitan Discipline's research field Photography 4.0: A Teaching Guide for the 21st **Century** Michelle Bogre, 2014-08-11 An invaluable resource for photography educators this volume is a survey of photographic education in the first decade of the 21st Century Drawing upon her 25 years of teaching experience and her professional network Michelle Bogre spoke with 47 photo educators from all over the world to compile this diverse set of interviews The themes of these conversations explore Why students should study photography The value of a formal photography degree Teaching philosophies Whether video and multimedia should be an essential part of a photographic curricula The challenges of teaching photography today Changes in photographic education overall The second half of the book shares 70 photography assignments of varying level of difficulty from these educators some paired with examples of how students completed them This book will inspire and invigorate any photography educator's curriculum Hollywood

Italians Peter E. Bondanella, 2004-01-01 This book is a celebration of nearly a century of images of Italians in American motion pictures and their contribution to popular culture Hollywood Italians covers the careers of dozens of stars including Rudolph Valentino Frank Sinatra Dean Martin Al Pacino Robert De Niro John Travolta Sylvester Stallone Marisa Tomei James Gandolfini and many others In addition the book reviews the work of such Italian American directors as Francis Ford Coppola and Martin Scorsese In all Hollywood Italians discusses scores of films with a concentration on the most important including their literary and European cinematic roots The book is capped by a comprehensive examination of The Godfather and its two sequels as well as the international television phenomenon The Sopranos BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Real and the Reflected: Heroes and Villains in Existent and Imagined Worlds, 2020-09-25 The Real and the Reflected Heroes and Villains in Existent and Imagined Worlds unpacks many of the issues that surround heroes and villains It explores the shadows that fall between the traditional black and white definitions of good and evil Film Noir Ian Brookes, 2017-03-09 Film noir may seem a familiar term to many with its use of a complex narrative structure flashbacks and voiceover narration and with such archetypal characterisations as the femme fatale and private eye But this introduction is not so much an account of what film noir is but more an interrogation of the ways in which the term came to be applied to a particular group of American films of the 1940s and 1950s Ian Brookes asks What is film noir With this sharply focused guestion active throughout the book students will benefit from an introductory text designed to provide a sophisticated treatment of the problems inherent in the category This will be the first critical introduction to film noir which takes into account the complexity of the term and the difficulties of straightforward definition and classification Brown Gumshoes Ralph E. Rodriguez, 2009-03-06 Winner Modern Language Association Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies 2006 Popular fiction with its capacity for diversion can mask important cultural observations within a framework that is often overlooked in the academic world Works thought to be merely escapist can often be more seriously mined for revelations regarding the worlds they portray especially those of the disenfranchised As detective fiction has slowly earned critical respect more authors from minority groups have chosen it as their medium Chicana o authors previously reluctant to write in an underestimated genre that might further marginalize them have only entered the world of detective fiction in the past two decades In this book the first comprehensive study of Chicano a detective fiction Ralph E Rodriguez examines the recent contributions to the genre by writers such as Rudolfo Anaya Lucha Corpi Rolando Hinojosa Michael Nava and Manuel Ramos Their works reveal the struggles of Chicanas os with feminism homosexuality familia masculinity mysticism the nationalist subject and U S Mexico border relations He maintains that their novels register crucial new discourses of identity politics and cultural citizenship that cannot be understood apart from the historical instability following the demise of the nationalist politics of the Chicana o movement of the 1960s and 1970s In contrast to that time when Chicanas os sought a unified Chicano identity in order to

effect social change the 1980s 1990s and 2000s have seen a disengagement from these nationalist politics and a new trend toward a heterogeneous sense of self The detective novel and its traditional focus on questions of knowledge and identity turned out to be the perfect medium in which to examine this new self *The Revisions of Englishness* David Rogers, John McLeod, 2004 Diverse and often competing notions of Englishness have been critiqued by a variety of writers and critics who have become concerned about received visions of Englishness in the post war period An exciting and provocative collection of essays which registers the changes to Englishness since the 1950s this book explores how Englishness has been revised for a variety of aesthetic and political purposes and makes a ground breaking contribution to the contemporary debates in literary and cultural studies *Writing Urbanism* Douglas Kelbaugh, Kit McCullough, 2008-05-17 Urban design continues to grow as an increasingly important and expanding field of study research and professional endeavour Distinguished by its broad scope and comprehensiveness on the subject of urban design this new collection combines selected essays from both practitioners and academia Writing Urbanism is the ideal volume for both students architects and urban designers
