**The Bionic Boy** Lynn Plourde,2025-10-21 The moving story of a superhero loving boy born without hands who finds the hero inside himself Benji feels like he s had more than his fair share of good luck so it s frustrating that his disability tends to make people think the opposite Adopted from an overseas orphanage when he was four he s grown up surrounded by the love of his dads and little sister But it seems like the only thing people notice about him is that he was born without hands He wishes that it didn t bother him so much when people stare at him and that he could be as confident as the superheroes he s obsessed with Then Benji meets a real life hero and begins to dream about new possibilities Staff Sergeant Snyder is a quadruple war amputee whose comfort in his own skin inspires Benji Plus Staff Sergeant has fun with his

*Next Stop, Hell* Al Ferber, 2013-01-09 We are all on a roller coaster ride. We are all passengers on a runaway train. We are drivers under the influence of something: love, hate, ambivalence, jealousy, lust, some element of emotion, unbridled passion. We are all careening toward the abyss. We are all on a crash course with isolation, desperation. We are all trapped in burning buildings. We are always just one step away from hell. Heaven, Hell, reside within us. Which one do you think is behind door number two? These poems provide a roadmap to hell. Good luck on your journey. **Where Are All The Butterflies?** Maggie Julien, 2020-03-27 Fate brings together five animals and a bird: Khaleed and Misty, Arabian horses; Max, a Springer Spaniel; Napoleon, a large black cat; Anastasia, a slender fallow deer; and Zero, a Golden Eagle. Together in a strange and ever-changing world, they travel far across challenging terrain and beautiful landscapes. The challenges they face on their journey bring them together and they become firm friends. They meet beasts of the air and of the earth in a land which is supposed to be safe and nurturing. However, they learn that their new world is interlinked with the human world and in the human world, human kind have become distant from their connection with animals and their lives and actions are having a direct affect on the land in which the friends now find themselves. *An Act of Love* Alan Gibbons, 2011-06-02 Childhood friends Chris and Imran celebrate the Millennium as inseparable blood brothers; they are both seven years old. But by 2011, their lives have taken very different paths. One has joined the Army and served in Afghanistan; the other is a potential jihad recruit. They are no longer friends and there are bitter wounds between them which remain unhealed. Will their childhood bond be strong enough to overcome an extremist plot? In a highly charged, honest and life-affirming story told in flashback from both Chris and Imran's viewpoint, Alan Gibbons cleverly explores the very real issue of terrorism that affects everyone today. **The Ohio State Institution Journal** Ohio.
