Art and Human Rights Fiana Gantheret, Nolwenn Guibert, Sofia Stolk, 2023-05-09 This timely book builds bridges between the notions of art and aesthetics human rights universality and dignity It explores a world in which art and justice enter a discussion to answer questions such as can art translate the human experience How does humanity link individuality and community building How do human beings define and look for their identity The fields of human rights and art are brought together in order to open the discussion and contribute to the promotion and protection of human rights

American Participation in Opera and Musical Theater, 1992 Joni Maya Cherbo, Monnie Peters, 1995 Data gleaned from the 1982 1985 and 1992 Surveys of Public Participation in the Arts SPPAs were used in this analysis of participation in opera and musical theater operetta Findings indicate that opera is the least popular of the fine arts being the least frequented and the least selected as an activity respondents would like to attend more frequently Opera attendees are more likely than other arts attendee groups to attend all other fine arts activities and show a significant interest in more types of music than any other arts attendee group There is a strong relationship between early general arts education and adult opera attendance Opera attendees are predominantly white better educated wealthier and somewhat older than other art goers but younger persons are attending in about the same proportions in 1992 as in 1982 More persons watch or listen to opera on the media than attend live performances Findings of musical theater operetta participation indicates that attendance of these forms of theater is second to attendance of art museums Musical theater operettas primary appeal is live performance Many more individuals indicated that they would attend musical theater performances if cost and accessibility were not issues The report includes tables and appendices MM
