**Peoria's Haunted Memories** Stephanie E. McCarthy,2009-09-14 A thrilling collection of tales and a unique guide for the intrepid supernatural sleuth seeker who knows that dead do not always rest in peace At the heart of Peoria s Haunted Memories is the rich and compelling history and folklore of the Peoria area Buildings and cemeteries in and around the city provide ideal stomping grounds for many restless specters In this collection of haunted sites the reader will be introduced to some of Peoria s best loved mansions institutions and graveyards as well as many of its more illustrious citizens From Bartonville State Hospital to Bradley University historic downtown theaters hotels and taverns and local churches where ghostly congregants and ministers continue to worship this book presents these ghost stories and legends for the fi rst time together in print **Bulletin** ,1910 *Bulletin* Illinois State Geological Survey,1910 **Historical Encyclopedia of Illinois** David McCulloch,1902 **The Saturday Evening Post** ,1919 **Robert H. Michel** Frank H. Mackaman,Sean Q. Kelly,2023-08-18 As incredible as it might seem there was a time when Congress worked a time when partisan competition produced consensus and good public policy At the center of it all for four decades was Robert H Michel the longest serving Republican leader in the history of the US House of Representatives In this book top congressional scholars historians and political scientists provide a compelling picture of Bob Michel and the congressional politics of his day Marshaling a wealth of biographical historical and political detail they describe Michel s House of Representatives and how the institution became what it is now During the thirty eight years that Michel represented Illinois s 18th congressional district January 3 1957 January 3 1995 the last fourteen as Republican leader in the House his party was in the minority Drawing on archival material that captures politics in the making the authors of this volume show how Michel made the most of that minority status They write about his legislative efforts as with President Ronald Reagan s tax cuts and President George H W Bush s North American Free Trade Agreement negotiations The resulting friction between Michel s leadership on the national stage and his responsibilities to constituents back home almost cost him reelection in 1982 forcing a change in his home style Their essays also cover Michel s strategies for House minority leadership his party s proposals to reform the House and his retirement one election before Republicans became the House majority party the result of a generational and ideological shift to a more combative style of politics practiced by Michel s successor Newt Gingrich An innovative approach to biography with its examination of Bob Michel s career from a variety of angles this volume offers both an unusually nuanced portrait of one important politician and a uniquely informed perspective on politics in the latter half of the twentieth century *Lincoln Looks West* Richard W. Etulain,2010-03-05 This first ever volume to comprehensively explore President Abraham Lincoln s ties to the American West brings together a variety of scholars and experts who offer a fascinating look at the sixteenth president s lasting legacy in the territory beyond the Mississippi River Editor Richard W Etulain s extensive introductory essay treats these western connections from Lincoln s early reactions to Texas Oregon and the Mexican War in the 1840s

through the 1850s and during his presidency providing a framework for the nine essays that follow Each of these essays offers compelling insight into the many facets of Lincoln s often complex interactions with the American West Included in this collection are a provocative examination of Lincoln s opposition to the Mexican War a discussion of the president s antislavery politics as applied to the new arena of the West new perspectives on Lincoln s views regarding the Thirteenth Amendment and his reluctance regarding the admission of Nevada to the Union a fresh look at the impact of the Radical Republicans on Lincoln s patronage and appointments in the West and discussion of Lincoln s favorable treatment of New Mexico and Arizona primarily Southern and Democratic areas in an effort to garner their loyalty to the Union Also analyzed is The Tribe of Abraham Lincoln s less than competent appointments in Washington Territory made on the basis of political friendship and the ways in which Lincoln s political friends in the Western Territories influenced his western policies Other essays look at Lincoln s dealings with the Mormons of Utah who supported the president in exchange for his tolerance and American Indians whose relations with the government suffered as the president s attention was consumed by the crisis of the Civil War In addition to these illuminating discussions Etulain includes a detailed bibliographical essay complete with examinations of previous interpretations and topics needing further research as well as an extensive list of resources for more information on Lincoln s ties west of the Mississippi Loaded with a wealth of information and fresh historical perspectives Lincoln Looks West explores yet another intriguing dimension to this dynamic leader and to the history of the American West Contributors Richard W Etulain Michael S Green Robert W Johannsen Deren Earl Kellogg Mark E Neely Jr David A Nichols Earl S Pomeroy Larry Schweikart Vincent G Tegeder Paul M Zall *American Directory of Writer's Guidelines* ,2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s guidelines for more than 1 700 publishers A one of a kind source to browse for article short story poetry and book ideas *Polish Pioneers in Illinois 1818-1850* James D.
