Critical and historical discussions of the life and work of Federico García Lorca Spain's foremost poet and playwright of the twentieth century often obscure the author's more avant garde dramatic works In *Lorca's Experimental Theater* Andrew A. Anderson focuses on four of Lorca's most challenging plays *Amor de don Perlimplín con Belisa en su jardín* *El público* *As que pasen cinco años* and *El sueño de la vida* previously known as *Comedia sin título* and on the surrounding context in which they came to be written and in only one case performed during his lifetime While none of Lorca's plays can be considered conventional these four works stand out in his corpus for challenging theatrical conventions most forcefully both thematically and technically With discussions of stagecraft artistic modernism and the historical avant garde *Lorca's Experimental Theater* provides detailed interpretive readings of the four plays surveys their textual and performative history and examines the most important contemporary influences on Lorca's creation of these expressive innovative works      *García Lorca at the Edge of Surrealism* David F. Richter, 2014-10-15 *García Lorca at the Edge of Surrealism The Aesthetics of Anguish* examines the variations of surrealism and surrealist theories in the Spanish context studied through the poetry drama and drawings of Federico García Lorca 1898-1936 In contrast to the idealist and subconscious tenets espoused by surrealist leader André Breton which focus on the marvelous automatic creative processes and sublimated depictions of reality Lorca's surrealist impulse follows a trajectory more in line with the theories of French intellectuals such as Georges Bataille 1897-1962 who was expelled from Breton's authoritative group Bataille critiques the lofty goals and ideals of Bretonian surrealism in the pages of the cultural and anthropological review *Documents* 1929-1930 in terms of a dissident surrealist ethno-poetics This brand of the surreal underscores the prevalence of the bleak or darker aspects of reality crisis primitive sacrifice the death drive and the violent representation of existence portrayed through formless base matter such as blood excrement and fragmented bodies The present study demonstrates that Bataille's theoretical and poetic expositions including those dealing with *Informe* the formless and the somber emptiness of the void engage the trauma and anxiety of surrealist expression in Spain particularly with reference to the anguish desire and death that figure so prominently in Spanish texts of the 1920s and 1930s often qualified as surrealist Drawing extensively on the theoretical cultural and poetic texts of the period *García Lorca at the Edge of Surrealism* offers the first book-length consideration of Bataille's thinking within the Spanish context examined through the work of Lorca a singular proponent of what is here referred to as a dissident Spanish surrealism By reading Lorca's surrealist texts including *Poeta en Nueva York* *Viaje a la luna* and *El público* through the Bataillean lens this volume both amplifies our understanding of the poetry and drama of one of the most important Spanish writers of the twentieth century and expands our perspective of what surrealism in Spain means      **The Continuum Companion to**

**Twentieth Century Theatre** Colin Chambers, 2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals on crafts skills and disciplines including acting design directing lighting sound and voice      *Federico García Lorca* Simon Breden, 2024-08-26 Lauded as one of the most important poets and playwrights of the twentieth century Federico García Lorca was also an accomplished theatre director with a clear process and philosophy of how drama should be staged Directing both his own work and that of others Lorca was also closely involved in the rehearsals for productions of many of his plays and from his own writings and those of his collaborators a determined agenda to stimulate audiences and renovate theatre can be seen This is the first book in English to fully consider Lorca as a director and his rehearsal methodology The book combines A biographical account of Lorca s work as a director and rehearsal leader revealing his techniques and methods of approach texts An exploration of his key writings on and around theatre drawing on his talks play introductions and some of the dramatic works themselves The first translation into English of his fragment *Dragón* A detailed discussion of Lorca s key productions Lope de Vega s *Fuente Ovejuna* 1933 for La Barraca and his own *Yerma* 1934 Specific focus on the practical applications that we can draw from Lorca s methods both from what survives of his own work and from the accounts of his close collaborators As a first step towards critical understanding and as an initial exploration before going on to further primary research Routledge Performance Practitioners offer unbeatable value for today s student      **Lorca Plays: 3** Federico García Lorca, 2014-03-20 Lorca is one of the few indisputably great dramatists of the twentieth century Observer Mariana Pineda achieved immediate critical success on its first performance in Barcelona in 1927 *The Public* is a powerful and uncompromising demand for sexual and specifically homosexual freedom as predicted it was never performed in Lorca s time it was first performed in this country by Theatre Royal Stratford East in the 80s *Play Without a Title* an unfinished Lorca rarity realises his wish to do something different including modern plays on the age we live in      *Lorca, Buñuel, Dalí* Gwynne Edwards, 2009-06-17 Lorca Bunuel and Dali were in their respective fields of poetry and theatre cinema and painting three of the most imaginative creative artists of the twentieth century their impact was felt far beyond the boundaries of their native Spain But if individually they have been examined by many their connected lives have rarely been considered It is these the ties that bind them that constitute the subject of this illuminating book They were born within six years of each other and as Gwynne Edwards reveals their childhood circumstances were very similar Each was affected by a narrow minded society and an intolerant religious background which equated sex with sin and led all three to experience sexual

problems of different kinds Lorca the guilt and anguish associated with his homosexuality Bunuel feelings of sexual inhibition and Dali virtual impotence Having met during the 1920s at the Residencia de Estudiantes in Madrid they developed intense personal relationships and channelled their respective obsessions into the cultural forms then prevalent in Europe in particular Surrealism Rooted in emotional turmoil their work from Lorca s dramatic characters in search of sexual fulfilment to Bunuel s frustrated men and women and Dali s potent images of shame and guilt is highly autobiographical Their left wing outrage directed at bourgeois values and the Catholic Church was strongly felt and in the case of Lorca in particular was sharpened by the catastrophic Civil War of 1936-9 during the first months of which he was murdered by Franco s fascists The war hastened Bunuel s departure to France and Mexico and Dali s to New York Edwards describes how for the rest of his life Bunuel clung to his left wing ideals and made outstanding films while the increasingly eccentric and money obsessed Dali embraced Fascism and the Catholic Church and saw his art go into rapid decline
