

When Ralph is rescued at the end of the novel, he breaks down and weeps for:

**‘the end of innocence,  
the darkness of man’s heart.’**

- **What does Golding mean by this?**

**Are you satisfied with the way the novel ends?**

- Think of an alternative ending for *Lord of the Flies* and write down your ideas. Once you have a plan, have a go at re-writing the final chapter.
- Imagine if Golding had added an extra chapter where Ralph and Jack share their story with the naval officer as they travel home. How might this go? Write a script of the conversation between the officer and the boys.
