Spiritual Obedience Volume 4 Ollie Fobbs, 2016-04-29 The Spirit of Direct obedience was a book that flared the creativity of hope within me to continue to write there were six hundred pages of notes that were scheduled to go into that first book so after several years I had to find something to do with all of those notes and this is the outcome Spiritual Obedience was a book that told me a lot about who I was and who I was to become this writing is not a this is going to change your life kind of thing however if properly applied and you dedicate your life to study and prayer then yes this will change your life Spiritual Obedience as said has very little to do with who we are as a people but it has everything to do with who God is The reason God sent his Son to die for us is that through the revealed Glory of who he actually is we then can find life in Christ and we then can find the key to the gate that will lead us to the path that will take us all to the Kingdom of God

Leading a Local Church (Volume 2) Zacharias Tane Fomum, This book is a heart surgery of the spiritual leader The leader s inner life spiritual condition is determinant Without a deep and intimate knowledge of God any leadership exercised is from skill talent or natural endowment It can never satisfy God s heart neither can it lead God s people to destiny In *Leading a Local Church Volume 2* the author Z T Fomum will take you through the necessary heart cultivation required to build the leadership wealth that will set you apart and promote a mere seeker after God into a spiritual leader He show case the spiritual dynamics that will empower anyone in leadership at all levels with the capacity to move God to move and transform both men and situations And since the heart condition of a leader is most altered in the place of prayer where the heart is welded to that of God then it is obvious that no spiritual leader can go beyond his performance in the closet time spent alone with God From another angle the author demonstrates that leadership is conditioned on a life sacrificed spent and sold out for others He elaborates at great length some critical aspects of spiritual leadership like strategic planning the setting of goals providing a model etc alongside practical strategies on how to successfully start and progress in leading a local church The normal member of the local church is not left out since they play a key role in their leader s well being This book will be of great help in providing insight on how you can be a source of great encouragement and spiritual progress booster to your leader If you are actively leading or aspiring to lead God s people and are determined to dive deep into God so as to take those under your leadership to God s heights and full approval then this book is for you
