revelations will be like links on the chain when you read the bible from cover to cover with this very nature in mind Bible is no different to the concept of a jigsaw puzzle All the individual 66 books and epistles that sum up the bible are incomplete in its individuality You can find that missing jigsaw piece nowhere but within the vicinity of the bible itself For instance Genesis without the other 65 books and epistles is incomplete and so forth Oracles in the bible are scattered and blended with other testimonial experience so that an ordinary mind will look but shall not see and listen but cannot hear The Pharisees High Priests and the Jewish authorities opposed and rejected Jesus for their lack of awareness about the dynamics of the bible You are very blessed for discovering this GOLDEN SECRET about the divinity of the bible Moreover the bible is an encyclopedia of its own having answers to its own questions and all the questions mankind can ever think of In other words bible itself is the absolute and divine meaning of COMPLETION lacking nothing In it is fullness of life health wealth prosperity authority and power without lack of any kind for it is a piece of God's mind and heart constrained to mankind's calling and thinking capacity In God is fullness of life so shall be it for His inspired book of all times The Holy Bible Chosen to Be God's Prophet Henry Blackaby, 2005-04-30 God called Samuel to be his prophet during a time of crisis in Israel's history a time when His chosen people had turned away from Him and were defiantly going their own way Using the obvious parallels in today's world noted scholar and teacher Henry Blackaby shows readers how God works in and through those he chooses God spoke to Samuel again and again shaping him through trials and tragedies Dr Blackaby calls defining moments By studying Samuel's life readers learn to recognize their own defining moments and see how moments often defined in crises are simply the voice of God calling us to His purpose **Jesus and the Father** Kevin N. Giles, 2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity In Jesus and the Father Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father Son Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so called economic Trinity and the immanent Trinity Does the Father Son relationship in the Trinity prescribe male female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity Millard Erickson author Christian Theology By showing that subordinationism is a revival of a heresy that was systematically rejected by the non Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully
