**Storytime in India** Helen Priscilla Myers, Umesh Chandra Pandey, 2019-06-14 An American ethnomusicologist and her Indian collaborator recount their experiences researching Bhojpuri wedding songs in India Stories are the backbone of ethnographic research During fieldwork subjects describe their lives through stories Afterward ethnographers come home from their journeys with stories of their own about their experiences in the field Storytime in India is an exploration of the stories that come out of ethnographic fieldwork Helen Priscilla Myers and Umesh Chandra Pandey examine the ways in which their research collecting Bhojpuri wedding songs became interwoven with the stories of their lives their work together and their shared experience reading *The Eustace Diamonds* by Anthony Trollope Moving through these intertwined stories the reader learns about the complete Bhojpuri wedding tradition through songs sung by Gangajali and access to the original song recordings and their translations In the interludes Pandey reads and interprets *The Eustace Diamonds* confronting the reader with the ever present influence of colonialism both in India and in ethnographic fieldwork Interwoven throughout are stories of the everyday highlighting the ups and downs of the ethnographic experience Storytime in India combines the style of the Victorian novel with the structure of traditional Indian village tales in which stories are told within stories This book questions how we can and should present ethnography as well as what we really learn in the field As Myers and Pandey ultimately conclude writers of scholarly books are storytellers themselves and scholarly books are a form of art just like the traditions they study      **The Vanishing Hitchhiker** Jan Harold Brunvand, 2012-12-19 The groundbreaking book that launched America's urban legend obsession Folklore scholar Jan Harold Brunvand assembles the best known urban legends including *The Hook* *The Spider in the Hairdo* and *The Baby Sitter* and the Man Upstairs and provides an enlightening and entertaining analysis of their variants and evolution *The Vanishing Hitchhiker* was Professor Brunvand's first popular book on urban legends and it remains a classic The culmination of twenty years of collection and research this book is a must have for urban legend lovers      Myself Unto Myself Jorene Lazarides Hill, 2008-11 *Myself Unto Myself* actually summarizes this book It is about a lady who after accepting Christ her lifestyle changed and that she immediately started introducing herself unto herself After her love of scripture and bible memorization she was led to writing poetry These poems include every subject from Heaven to Hell She has reared three children in the church and the admonition of the Lord This book is an

education for all to enjoy In the beginning years I lived such a hard life that I wouldn't begin to ruin anybody's day However at 35 when this picture was taken I came to a full knowledge and acceptance of Jesus Christ I then turned my life from west to east and to an appetite of poetry written as I matured in Christ That is why I call my poems Poet ography Even though I am turning 75 now I have changed so much in 35 years I look like this picture on the inside which the Bible calls it the inner man
