

THE MAN OF FASHION

A man with short, light-colored hair and a serious expression is the central figure. He is wearing a dark jacket with a prominent leopard or panther print. He holds a lit cigarette in his right hand, which is raised slightly. His left hand is partially visible, holding a small object. The background is a blurred, natural landscape with trees and a body of water under a hazy sky.

The Man of Fashion Colin McDowell, 1997 Celebrates generations of men who have dressed extravagantly in order to express their masculinity joie de vivre and non conformist attitudes **Man of fashion (The) Peacock males and perfect gentlemen** C. McDowell, 1997 *Uniform Fantasies* Jeffrey Schneider, 2023-07-26 Starting in the nineteenth century in Germany colourful military uniforms became a locus for various queer male fantasies fostering an underground sexual economy of male prostitution as well as a political project to exploit the army's prestige for queer emancipation In the first decade of the twentieth century however a series of scandals derailed this emancipatory project Simultaneously public debates began to invoke homosexuality sadism transvestism and other sexological concepts to criticize military policies and practices In pursuing the threads with which queer authors and activists stitched their fantasies about uniforms Jeffrey Schneider offers fresh perspectives on key debates over military secrecy disciplinary abuses in the army and German militarism Drawing on a vast trove of materials ranging from sexological case studies trial transcripts and parliamentary debates to queer activist tracts autobiographies and literary texts *Uniform Fantasies* uncovers a particularly modern set of concerns about such topics as outing closeted homosexuals the presence of gay men in the military and whether men in uniform are more masculine or more insecure about their sexual identity **The Lure of Illustration in the Nineteenth Century** L.
