R. Wiley, 2017-03-22 What is your plan for the end of the world as we know it How will you protect the people you love What will you leave to them when you are gone The good news is this is not the first time the world has ended What s more men were made for times like these And the men of the past the good ones anyway have left us a plan to follow They built houses to last houses that could weather a storm This book contains their plan **The New Man of the House** Brian Gibson, 2022-05-11 The modern day suburb began and began booming in 19th century Britain As suburbia spread the New Woman arose and fin de siecle concerns grew suburban men felt more besieged Anxieties about hygiene pollution purity the home class gender roles patrilineal power and the state of the Empire rippled through British fiction The new man of the house was trying often desperately to hold onto the old order changing even more rapidly as the 20th century and modernist fiction arrived This
