Man Who Owned Vermont 1st Edition:

History of Eastern Vermont, from Its Earliest Settlement to the Close of the Eighteenth Century. With a Biographical Chapter and Appendixes Benjamin Homer Hall, 1858 **Irish in Ontario, 1st Edition** Donald Harman Akenson, 1984-08-01

Hailed as one of the most important books on social sciences of the last fifty years by the Social Sciences Federation of Canada Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson s research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America **Lee Besieged** John Horn, 2025-05-31 A vivid account of Grant s daring but thwarted Second Offensive during the Petersburg siege where tactical brilliance met fierce Confederate resistance The nine month siege of Petersburg was the longest continuous operation of the Civil War Contrary to popular belief it was anything but static trench warfare as John Horn ably demonstrates in Lee Besieged Grant s Second Petersburg Offensive June 18 July 1 1864 Large scale Union offensives grand maneuvers that often triggered major battles broke the monotony of siege warfare Once his First Offensive the assaults of June 15 18 failed to capture the city the Union commander planned and launched his next major effort within hours This Second Offensive was one of the most dramatic operations of the entire war To pave the way for success Grant brought the city s bridges under the fire of his siege guns to slow the transfer of enemy trips in and out of Petersburg He also seized a bridgehead at Deep Bottom on James River s north bank to draw Confederate forces out of Petersburg by menacing Richmond Next he took more ambitious measures by sending infantry to hem in Petersburg from the Appomattox River below the city to the Appomattox above The move was designed to cut the critical Weldon and South Side railroads and force the Rebels to abandon Petersburg and Richmond As his infantry went to work his cavalry set out to sever the Confederate railroads below Petersburg to cut off supplies and reinforcements from the south and west Grant s opponent however was Gen Robert E Lee with his veteran infantry not the inept John Floyd of Fort Donelson or the distracted John C Pemberton of Vicksburg Lee and his infantry division commander William Mahone marched to meet the enemy and in a stunning turn of events routed Grant s foot soldiers at Jerusalem Plank Road Together Confederate cavalry under Wade Hampton and Mahone s infantry smashed Grant s troopers at the battles of Sappington Church and First Reams Station Thousands of Federal prisoners flooded into Confederate camps Not until April

1865 after seven more offensives would Grant reach the Appomattox above Petersburg and force Lee to relinquish that city and the capital of Richmond This is tactical battle action at its finest Horn s explanation for the context and consequences of every decision is grounded in hundreds of primary sources and supported by 40 original maps Lee Besieged is the first full length book to put Grant s second effort into its proper perspective not only in the context of the Petersburg siege and the Civil War but in the context of warfare s history **The Publishers' Circular and Booksellers' Record** ,1925 *Catalog of Copyright Entries.
