## **Managing Correctional Crisis:**

**Managing Correctional Crises** John M. McCullough, 2006 This book explains how to handle prison and jail crises such as violence hunger strikes suicides hostage takings and riots using real examples Topics covered include the various stages of crisis from indications of impending crises and what starts disturbances general guidelines for managing a crisis and how to handle specific types of crises

**The Management of Correctional Institutions** Marilyn D. McShane, Franklin P. Williams, 1993 Section 1 pages 1 to 68 presents an overview of the literature on prison management and the results of a national survey of wardens which enquired into actual management styles problem solving techniques and decision making approaches The national survey aimed to determine how much the literature reflected the wardens management practices Findings showed that corrections management largely reflects the literature in that it has inconsistencies an emphasis on personnel experience and an inward focus These results were used to develop a perspective focusing on a humane and caring relationship between manager and staff Section 2 pages 72 to 301 contains abstracts of the 100 most important works both essay and research on correctional institution management

*Applied Crisis Communication and Crisis Management* W. Timothy Coombs, 2013-06-11 Designed to give students and public relations professionals the knowledge and skills they need to become successful crisis managers *Applied Crisis Communication and Crisis Management Cases and Exercises* by W Timothy Coombs includes a wide range of cases that explore crisis communication and management in action using a practical approach In the first two chapters the author introduces key theories and principles in crisis communication which students apply by analyzing 17 cases drawn from recent headlines Cases are explored from pre crisis mid crisis and post crisis communication perspectives and include a range of predominant crisis scenarios from product recalls to lawsuits to environmental disasters

*Violence Behind Bars: A Comprehensive Examination of Prison Riots* Pasquale De Marco, 2025-04-24 In the heart of correctional facilities where justice and order are meant to prevail lies a hidden world of tension despair and violence Prison riots like sudden tempests erupt with devastating force leaving behind a trail of destruction and shattered lives This comprehensive book delves into the complex phenomenon of prison riots exploring their causes consequences and potential solutions With meticulous research and expert analysis this book provides a thorough understanding of the factors that contribute to these explosive outbreaks It examines the anatomy of a prison riot dissecting the underlying tensions power dynamics and leadership structures that can lead to violent confrontations Historical echoes of notable prison riots are explored offering valuable lessons and insights into the challenges that persist within correctional systems The human toll of prison riots is brought to the forefront shedding light on the harrowing experiences of inmates and the psychological scars that linger long after the chaos subsides The book delves into the personal stories of those who have survived these tumultuous events highlighting the urgent need for reform and rehabilitation Moving beyond the immediate causes of riots the book investigates the systemic issues that contribute to prison unrest It examines the impact of

overcrowding lack of basic amenities and the power imbalance between guards and inmates The role of leadership in preventing and managing riots is also explored emphasizing the importance of effective communication trust building and crisis intervention strategies Innovative approaches to prison management are presented showcasing programs that prioritize rehabilitation education and community involvement The effectiveness of restorative justice the power of education and the importance of mental health services are discussed as potential pathways to reducing recidivism and fostering a safer environment for all Ultimately this book calls for a paradigm shift in the way we approach corrections It advocates for a move away from retribution and towards rehabilitation investing in prevention reforming sentencing laws and creating a fairer and more just system The goal is a society where prisons are no longer necessary and individuals are given the opportunity to turn their lives around If you like this book write a review on google books

*Prison Management, Prison Workers, and Prison Theory* Stephen C. McGuinn, 2014-11-25 Prison Management Prison Workers and Prison Theory develops a new conception of prison infrastructure organization and policy to explore how workers and administrators are essential in the development of culture and morality within the prison environment Stephen C McGuinn demonstrates that effective managers prioritize prison workers in order to meet external social demands of imprisonment and internal demands of daily operation McGuinn argues that prison administrators need to unify prison staff under a new conception of the institution The exploration of current power structures and their opportunities for improvement provides insight for those interested in criminology criminal justice prison theory and reform policy studies and labor studies

**The American Prison** Lynne Goodstein,Doris L. MacKenzie,2013-03-08 Despite the dire forecasts of others who had themselves edited books we proceeded with the project of an edited volume on the American prison although with more than a little trepidation We had heard the horror stories of authors turning in their chapters months or years late or never at all of

publishers delaying publication dates of volumes that read more like patchwork quilts than finely loomed cloth As if to prove the others wrong our experience in editing this volume has been marvelous and we think the volume reflects this Most likely the success of our experience and of the volume stems from two elements first the professionalism and commitment of the authors themselves and second the fact that early in the life of this volume most of the authors convened for a conference to critique and coordinate the chapters This book brings together an illustrious group of criminologists and correctional scholars who wrote chapters explicitly for this volume Co hesiveness was furthered by the charge we gave to each author to 1 present the major issues 2 review the empirical research and 3 discuss the implications of this work for present and future correctional policy The goal of this project was to examine the major correctional issues facing prison systems The chapters scrutinize the issues from the perspective of the system and the individual from theory to practical and daily management problems from legal to psychological concerns Behind the Badge Sharon M. Freeman Clevenger, Laurence Miller, Bret A. Moore, Arthur Freeman, 2014-11-13 This volume is the logical follow up to the military treatment handbook *Living and Surviving in Harm's Way* Sharon Freeman Clevenger Laurence Miller Bret Moore and Arthur Freeman return with this dynamic handbook ideal for law enforcement agencies interested in the psychological health of their officers Contributors include law enforcement officers with diverse experiences making this handbook accessible to readers from law enforcement backgrounds This authoritative comprehensive and critical volume on the psychological aspects of police work is a must for anyone affiliated with law enforcement **Management and Supervision of Jail Inmates with Mental Disorders** Martin Drapkin, 1999 Prison and Jail Administration: Practice and Theory Peter Carlson, Judith Garrett, 2008 History of Corrections Peter M Carlson Tom Roth and Anthony P Travisano American jails Arthur Wallenstein and Ken Kerle Prison architecture Robert S George Developing technology Peter M Carlson and Sonya D Thompson Custody and security Michael B Cooksey Inmate classification Peter M Carlson Education and vocational training Harold David Jenkins Recreation Harold L Kahler Health care Robert R Thompson Mental health Sally C Johnson Religious programming Susan M Van Baalen Intake discharge mail and documentation Jeffrey W Frazier Food service Lavinia B Johnson Financial operations Beverly Pierce Working with the media Judith Simon Garrett Community relations boards Paula McAlister Political involvement Judith Simon Garrett Organization and management Peter M Carlson and John J Dilulio Jr Leadership executive excellence Harley G Lappin Governing personnel management Robert L Wright A day in the life of the warden James A Meko Diversity of correctional officers Peter M Carlson Labor relations Michael H Jaime and Amanda R Burrueel Preventing corruption Sal Souryal Sexual misconduct Anadora Moss Volunteering Richard L Stalder Disciplinary procedures Clair A Cripe Grievance procedures Lisa Hutchinson Wallace Kevin I Minor and James Stephen Parsons Protective custody Kevin I Minor Lisa Hutchinson and James Stephen Parson Suicide Daniel W Phillips III The death penalty Julie C Eng Gang management Mark S Fleisher Special needs offenders Judy C Anderson Sex offenders Gilbert L Ingram and Peter M Carlson Visitation Reginald A
