The Bear Don Keith, 2006-08-01 Many biographies have been written about the larger than life college football coach Paul Bear Bryant as well as an autobiography containing the coach's own memories Other works have focused on an aspect of Bryant's career his coaching methods or his philosophy The Bear The Legendary Life of Coach Paul Bear Bryant stands alone among them all Based on a screenplay by the late sportswriter and columnist Al Browning it showcases many of the most memorable moments of Bryant's life many of them told by the coach himself as stories filled with the immediacy and drama that go with a good story told well The relationship Bryant and Browning shared went beyond that of

coach and journalist They were close friends giving Browning a unique view of the man that few people had ever seen especially in Bryant's final years before his retirement and death a short while later Some of the stories in this book have been heard before but without the rich background and detail conveyed here As such the book validates many of them while clarifying others and occasionally correcting some inaccuracies I just have a taken for finding the heart of a football team Bryant once explained and it was certainly true It is equally true that All Browning found the heart of Bryant and The Bear The Legendary Life of Coach Paul Bear Bryant has captured the essence of the man from Fordyce Arkansas for whom winning was no just the most important thing It was the only thing Secret Pucking Unicorn Jenny Fenshaw,2024-06-05
