Mothers A Documentary Novel Of The Donner Party:

The Archaeology Of The Donner Party Donald L Hardesty, 2005-10-05 The tragic saga of the Donner Party has inspired both legend and scholarship ever since the survivors were rescued from the High Sierra snows in the spring of 1847. When archaeologist Donald L Hardesty and four colleagues, a historian and three other archaeologists, turned their collective attention to the ordeal of the Donner Party, the result was an original and sometimes surprising new study of this pioneer group and their place in the history of overland migration. Now available for the first time in paperback, *The Archaeology of the Donner Party* combines the fruits of meticulous investigation of the Sierra Nevada sites with scientific analysis of artifacts discovered there and interpretation of the documents of the party and the memoirs of survivors. Through this interdisciplinary approach, Hardesty and his colleagues offer new insight into the ordeal of these ill-fated emigrants and demonstrate the vital role that archaeology can play in illuminating and expanding our understanding of historical events. Contributions by Michael Brodhead, Donald K Grayson, Susan Lindstrom, and George L Miller. *Paperbound Books in Print*, 1982. **American Studies in Scandinavia**, 1984. **Library Journal** Melvil Dewey, Richard Rogers Bowker, L. Robert Petterson, popular speaker, storyteller, and author, has been a student for his entire life of what God is teaching us through those real-life U-turns. In this book, he compiles 90 amazing stories that teach lessons you won't easily forget. Each devotional ends with a compelling thought about life and God. Be amazed. Be encouraged. Searching for Tamsen Donner Gabrielle Burton, 2009-03-01 Tamsen Donner For most the name conjures the ill fated Donner party trapped in the snows of the Sierra Nevada Mountains in 1846-47 Others might know Tamsen as the stoic pioneer woman who saw her children to safety but stayed with her dying husband at the cost of her own life For Gabrielle Burton Tamsen's story fascinating in its own right had long seemed something more the story of a woman's life writ large one whose impossible balancing of self motherhood and marriage spoke to Burton's own experience This book tells of Burton's search to solve the mystery of Tamsen Donner for herself A graceful mingling of history and memoir *Searching for Tamsen Donner* follows Burton and her husband with their five daughters on her journey along Tamsen's path From Tamsen's birthplace in Massachusetts to North Carolina where she lost her first family in the space of three months to Illinois where she married George Donner and finally to the fateful Oregon Trail Burton recovers one woman's compelling history through a modern day family's adventure into realms of ultimately timeless experiences Here Burton has for the first time collected and published together all seventeen of Tamsen's known letters
