By F.E.M. Notley Frances Eliza Millett Notley,1877 *My Love Affair with America* Norman Podhoretz,2001-02-21 In this touching and delightful memoir Norman Podhoretz charts the ups and downs of his lifelong love affair with his native land and warns that to turn against America from the Right no less than from the Left is to fall into the rankest ingratitude While telling the story of how he himself grew up to be a fervent patriot one of this country's leading conservative thinkers urges his fellow conservatives to rediscover and reclaim their faith in America A superb storyteller Podhoretz takes us from his childhood as a working class kid in Brooklyn during the Great Depression the son of Jewish immigrants singing Catholic hymns in a public school staffed by Irish spinsters and duking it out on the streets with his black and Italian classmates to his later education his shifting political alliances and his arrival at a happy personal and intellectual resolution *My Love Affair with America* shows us a gentler and funnier Podhoretz than readers have seen before At the same time it presents a picture of someone eager to proclaim against all comers that America represents one of the high points in the history of human civilizations In this powerful elegantly written and poignant cautionary tale Podhoretz pleads with his fellow conservatives not to fall as some have lately done into their own special brand of anti Americanism as he reminds them of the disastrous consequences that followed the assault by the New Left against the United States in decades gone by Warm in feeling and brilliantly perceptive *My Love Affair with America* points the way back to a thoroughly unabashed love of country the kind of patriotism that has rarely been encountered in recent years and that is as invigorating as it is inspiring **The Life, Letters, and Papers of the Late Rev.
