Breath of Fresh Air Francisco Allen,2019-09-09 This book is written by the inspirations from real people There are sad moments of people who experienced tragedy A young man leaves wife and kids took a train north through sleet hoping for a better tomorrow A hurricane hit the East Coast and affected a big area Most people had to look for shelter food and blankets They spend the night in the cold without heat Many who are on minimum wage did not have enough to buy a Christmas gift A man and his daughter waiting at the airport for his wife to return home The chaplain called him and others to the chapel but the news was not good There was a story about a dad who was wrecked by the disease of alcoholism The saddest part was the son was following the father s example The poor and the rich have the same dreams and goals It seems as if the poor fall short on their goal All they need is another chance of employment to gain their dignity There was also a story with a happy ending A father sailed to another country to pick up daughter and family on a small sailing boat returning back safely One wish of mine is to help the poor especially the sick with cancer So a portion of the proceeds of this book will be going to the Belize Cancer Society and the American Cancer Society
