Oh Lord Its The Millennium:

The Seventh-Day Sabbath and Its Redemptive Function in God's Everlasting Covenant of Grace A.M.Simataa,2012-05

This special and remarkable book The Seventh day Sabbath and its Redemptive Function in God's Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity. The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible. Although written from a Seventh day Adventist's perspective, people of differing religious background and persuasions will find this book very instructive. If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically, this is the book you have been searching for. Some of the topics featured in the book include: The Truth about the Bible Sabbath, The Judgment of the Living, Heavenly New Jerusalem, The Marriage Supper of the Lamb, and the Rapture. The Remnant Church in the Parables. Mr A M Simataa teaches at a High School in Windhoek, Namibia. He likes sharing the Gospel with others and spends some of his spare time witnessing to others. The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today. Most believers have even dismissed its relevance to today's Christianity. However, the truth is that the Sabbath is at the heart of Christ's work to save human beings in accordance with God's plan. The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath. The issue of the Sabbath will become pertinent as we near the End, and every human being will be required to take a stand in the conflict involving the Sabbath question. This book will plant your feet on a solid foundation. **The Millennium** William E.

Blackstone,1904 **The Millenium Church** Rev. Mrs. Kathy Sandlin,2014-09-22 The Millennium Church is a book of revelatory insight into how we can reach and establish a diverse body of people who are infused with the DNA of God Himself. The new Generations that make up Christendom will settle for nothing less than the best for the Kingdom of God. From fishers of men to shadow casters, from titles on our office doors to towels around our waists, from Shepherd boys to kings, we have to change our spiritual mindsets. It is past time for the Church to think outside of the box and even color outside of the lines. The Millennium Church will stretch our spiritual thought patterns and give to us the boldness and elasticity to reach a difficult generation for the sake of God's Kingdom. You will never view The Church the same after reading The Millennium Church. Author Rev Mrs Kathy Sandlin

Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament And like the Gospel of John it represents mature theological reflection on God s great acts of salvation in this case associated with the exodus of Israel from Egypt Unfortunately for many Christians Deuteronomy is a dead book either because its contents are unknown or because its message is misunderstood The essays in this collection arise from a larger project driven by a passion to recover for Christians the life giving message of the Old Testament in general and the gospel according to Moses in particular The meditations cover a wide range of topics from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today , "Dr. Fritz" The Phenomenon of the Millenium William Moreira,2001 This book is the most profound in explaining and proving to our material world the existence of the spiritual world and its relation to our lives Dr Fritz is the most incredible example of the existence of the spiritual world related to ours In this book we can feel the author s connection in trying to help us in our incertitude of life after death He took more than 3 000 photos 180 photos are in the book of incredible healing surgeries done by the power of the spiritual fluid affecting our bodies Dr Fritz phenomenon is alive and happening in Rio de Janeiro at this present moment as of the time this book is being printed The author left October 8 2001 to Rio de Janeiro to have a cancerous melanoma surgery done by this spiritual phenomenon without anesthesia or any modern concept The medium Rubens de Faria Jr is presently working on this phenomena The religious leaders know about it but try to cover this great contact because of controversial ideals of archaic beliefs not following men s evolution **An Analysis of the Principles of the Divine Government** Abel Pearson,1833
