Old East Side An Anthology:

The Old East Side Milton Hindus,1969 *Lower East Side Memories* Hasia R. Diner,2020-11-10 Manhattan s Lower East Side stands for Jewish experience in America With the possible exception of African Americans and Harlem no ethnic group has been so thoroughly understood and imagined through a particular chunk of space Despite the fact that most American Jews have never set foot there and many come from families that did not immigrate through New York much less reside on Hester or Delancey Street the Lower East Side is firm in their collective memory Whether they have been there or not people reminisce about the Lower East Side as the place where life pulsed bread tasted better relationships were richer tradition thrived and passions flared This was not always so During the years now fondly recalled 1880 1930 the neighborhood was only occasionally called the Lower East Side Though largely populated by Jews from Eastern Europe it was not ethnically or even religiously homogenous The tenements grinding poverty sweatshops and packs of roaming children were considered the stuff of social work not nostalgia and romance To learn when and why this dark warren of pushcart lined streets became an icon Hasia Diner follows a wide trail of high and popular culture She examines children s stories novels movies museum exhibits television shows summer camp reenactments walking tours consumer catalogues and photos hung on deli walls far from Manhattan Diner finds that it was after World War II when the Lower East Side was enshrined as the place through which Jews passed from European oppression to the promised land of America The space became sacred at a time when Jews were simultaneously absorbing the enormity of the Holocaust and finding acceptance and opportunity in an increasingly liberal United States Particularly after 1960 the Lower East Side gave often secularized and suburban Jews a biblical yet distinctly American story about who they were and how they got here Displaying the author s own fondness for the Lower East Side of story books combined with a commitment to historical truth *Lower East Side Memories* is an insightful account of one of our most famous neighborhoods and its power to shape identity **Zion in America** Henry L. Feingold,2013-03-21 Scholarly survey covers Old World origins profiles of New World cultures of German and Eastern European Jews the effects of changing political and economic climates and immigrant settlement on the Lower East Side settlement *The Incorruptibles* Dan Slater,2024-07-16 This harrowing tale of early twentieth century New York reveals the true stories of an immigrant underworld a secret vice squad and the rise of organized crime In the early 1900s prior to World War I New York City was a vortex of vice and corruption On the Lower East Side then the most crowded ghetto on earth Eastern European Jews formed a dense web of crime syndicates Gangs of horse poisoners and casino owners pimps and prostitutes thieves and thugs jockeyed for dominance while their family members and neighbors toiled in the unregulated garment industry But when the notorious murder of a gambler attracted global attention a coterie of affluent German Jewish uptowners decided to take matters into their own hands Worried about the anti immigration lobby and the uncertain future of Jewish Americans the uptowners marshalled a strictly off the books vice squad led by an ambitious young reformer The

squad known as the Incorruptibles took the fight to the heart of crime in the city waging war on the sin they saw as threatening the future of their community Their efforts however led to unforeseen consequences in the form of a new mobster class who realized in the country s burgeoning reform efforts unprecedented opportunities to amass power In this mesmerizing and atmospheric account drawn from never before seen sources and peopled with unforgettable characters Dan Slater tells an epic and often brutal saga of crime and redemption exhuming a buried history that shaped our modern world

Judgment and Mercy Martin J. Siegel, 2023-03-15 As featured on CBS Saturday Morning Finalist for the 2023 National Book Critics Circle John Leonard Prize In Judgment and Mercy Martin J Siegel offers an insightful and compelling biography of Irving Robert Kaufman the judge infamous for condemning Julius and Ethel Rosenberg to death for atomic espionage In 1951 world attention fixed on Kaufman s courtroom as its ambitious young occupant stridently blamed the Rosenbergs for the Korean War To many the harsh sentences and their preening author left an enduring stain on American justice But then the judge from Cold War central casting became something unexpected one of the most illustrious progressive jurists of his day Upending the simplistic portrait of Judge Kaufman as a McCarthyite villain Siegel shows how his pathbreaking decisions desegregated a Northern school for the first time liberalized the insanity defense reformed Attica era prisons spared John Lennon from politically motivated deportation expanded free speech brought foreign torturers to justice and more Still the Rosenberg controversy lingered Decades later changing times and revelations of judicial misconduct put Kaufman back under siege Picketers dogged his footsteps as critics demanded impeachment And tragedy stalked his family attributed in part to the long ordeal Instead of propelling him to the Supreme Court as Kaufman once hoped the case haunted him to the end Absorbingly told Judgment and Mercy brings to life a complex man by turns tyrannical and warm paranoid and altruistic while revealing intramural Jewish battles over assimilation class and patriotism Siegel who served as Kaufman s last law clerk traces the evolution of American law and politics in the twentieth century and shows how a judge unable to summon mercy for the Rosenbergs nonetheless helped expand freedom for all

The Uprooted: The Epic Story of the Great Migrations That Made the American People Oscar Handlin, 2021-12-09 The Uprooted The Epic Story of the Great Migrations That Made the American People which won the 1952 Pulitzer for history was aimed at an audience of general readers in making his case that immigration more than the frontier experience or any other episode in its past was the continuing defining event of American history Dispensing with footnotes and writing in a lyrical style Dr Handlin emphasized the common threads in the experiences of the 30 million immigrants who poured into American cities between 1820 and the turn of the century Regardless of nationality religion race or ethnicity he wrote the common experience was wrenching hardship alienation and a gradual Americanization that changed America as much as it changed the newcomers The book used a form of historical scholarship considered unorthodox at the time employing newspaper accounts personal letters and diaries as well as archives Paul Vitello The New York Times Oscar Handlin has charged his pages with poetry and feeling The

Uprooted is history with a difference the difference being its concern with men's hearts and souls no less than an event Milton Rugoff The New York Times Seldom in our historical literature have we been offered such detailed realistic pictures of what it meant to come to the New World The crossing itself the struggle to make a living in the New World the problems of housing social fellowship religion adjustment to democracy a chapter is devoted to each of these The social and political pressures the friction and misunderstanding between generations the awful realization that the adjustment was too great this reviewer knows of no book that captures these moods and situations with such sympathy and understanding This is not in either style or format conventional or scholarly history The style is not pedantic or heavy The author is imaginative sensitive understanding A tremendous amount of research and real depth of understanding lies behind the book Ralph Adams Brown The Annals of the American Academy of Political and Social Science Strong stuff handled in a masterly and quite moving way The New Yorker This is a book of fundamental importance For the first time it attempts to get at the inner meaning of an experience crucial in the development of the United States It makes the attempt with a background of imaginative research a perceptiveness and a literary skill rare in the modern writing of history no one should attempt serious work in modern American history without fully reckoning with The Uprooted Eric F Goldman The Journal of Southern History Dr Handlin's The Uprooted deserves every bit of the praise and honors that have been heaped upon it Dealing with an important area of American history without deviating from scholarly standards the author succeeded in penetrating the facade of historical data to reach the drama of the historical process The book is not only beautifully written and alive with human interest but also highly pertinent to current social and political events in the United States Dr Handlin has handled his material magnificently and every immigrant and descendant of an immigrant that is every American ought to read this book in order the better to understand himself and his ancestors Solomon Grayzel Publications of the American Jewish Historical Society The best historical interpretation of the inner meaning of migration John Higham Pacific Historical Review Dr Handlin has discharged his responsibility admirably An able scholar of immigration history Dr Handlin in the present work reveals a mastery of historical data and rare insight and understanding of the manifold problems of the immigrant The book is beautifully written and many passages are truly moving Americans would understand their country better if they would read this book and benefit from the humane spirit in which it is written Carl Wittke The New England Quarterly Samuel Roth, Infamous Modernist Jay A. Gertzman, 2013-04-01 Samuel Roth is known to most literary scholars as a bold literary pirate for issuing unauthorized editions of modernist sensations including Ulysses and Lady Chatterley's Lover In the absence of an international copyright agreement and because works deemed obscene could not be copyrighted what he did was not illegal But it did violate the protocols of mutual fair dealing between publishers and authors Those publications provoked an unprecedented international protest of writers publishers and intellectuals who eventually vilified Roth on two continents Roth was a man with an uncanny ability to recognize good contemporary writing and make it accessible to popular audiences

Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America

Worlds of Irving Howe John Rodden,2015-12-03 The Worlds of Irving Howe The Critical Legacy is a wide ranging anthology of criticism devoted to the literary cultural and political work of the writer Irving Howe The book offers a broad cross section of critical and biographical writings about Howe Collected here are assessments of Howe s work written by some of the most prominent intellectuals of the twentieth century among them Lionel Trilling Alfred Kazin C Vann Woodward Robert Coles Daniel Bell Malcolm Cowley and Arthur Schlesinger The critical estimates of Howe s major books collected here and framed by a major biographical introduction by John Rodden constitute a sharply focused lens through which readers can re evaluate the legacy of one of American s leading intellectuals and thereby understand the main issues of twentieth century Anglo American cultural history Contributors Lionel Trilling Alfred Kazin C Vann Woodward Newton Arvin Charles Angoff Edward Dahlberg Isaac Rosenfeld Richard Chase H D Lasswell Dennis Wrong Michael Harrington Christopher Lasch Robert Coles Daniel Bell Malcolm Cowley Arthur Schlesinger Theodore Solotaroff Clive James Norman Podhoretz Irving Kristol and William Phillips among others Live & be Well Richard F. Shepard,Vicki Gold Levi,2000 This book heralds and documents the rich and vibrant traditions of Yiddish speaking immigrants and their children in the golden land from the first arrivals until World War II It presents the famous infamous and the unknown and is illustrated with photographs cartoons and theatre posters

An Immigrant Neighborhood Shirley Yee,2012 Examining race and ethnic relations through an intersectional lens Shirley Yee s An Immigrant Neighborhoodinvestigates the ways that race class and gender together shaped concepts of integration and assimilation as well as whiteness and citizenship in lower Manhattan during the late nineteenth and early twentieth centuries In contrast to accounts of insulated neighborhoods and ethnic enclaves Yee unearths the story of working class urban dwellers of various ethnic groups Chinese Jews Italians and Irish routinely interacting in social and economic settings Yee s numerous fascinating anecdotes such as one about an Irishman who served as the only funeral director for Chinese for many years recount the lived experiences of these neighborhoods detailing friendships business relationships and sexual relationships that vividly counter the prevailing idea that different ethnic groups did not mix except in ways marked by violence and hostility

The Selected Letters of George Oppen George Oppen,1990 Objectivist poet George Oppen 1908 1984 along with his contemporaries Lorine Niedecker Charles Reznikoff and Carl Rakoski provide an important bridge between the vanguard modernist American poets and the later works of poets such as Robert Creeley In work often compounded by the populist urbanity of city lives the Objectivists explored the social statements poetry can make Because Oppen wrote only one essay and one essay review his correspondence in effect constitutes his essays Oppen is emerging as one of the major poets of the postwar era he was the recipient of an American Academy and Institute of Arts and Letters

Award the PEN West Rediscovery Award and a Senior Fellowship from the National Endowment for the Arts His collection *Of Being Numerous* received the 1969 Pulitzer Prize for Poetry These working papers include a rich correspondence letters which provide access to the sustained perceptive body of critical and aesthetic thinking of Oppen s poetic career Provocative and witty comments on poetry and poetics especially interesting for the development of an Objectivist aesthetics and shrewd deeply felt assessments about the politics of the twentieth century and its moral dilemmas are some of the issues attended to This edition offers primary documentation about an influential poetics a little known movement and its active figures Given the aggressive studies of the politics of canon formation the interest in describing a historical context for individual literary achievement and current debates about mainstream poetry the rethinking of the Objectivist movement and the collection of documents contributing to its poetics is an important achievement in literary scholarship

Schlepping Through Life Without a Road Map Bruce Warshal, 2023-07-28 There comes a time in most people s lives when he or she asks key questions What can I believe about God prayer the source of ethics the problem of evil the answers in which we find our own tranquility Warning There are no right or wrong answers Rabbi Warshal shares his own quest but makes no claim to finding universal truth only his personal truth If this book helps each person find his or her own way schlepping through life without a road map then he would consider the book a success The process works for readers of all religions and those with none But he presents the topics within a Jewish context and concludes the book with relating one s conclusions to the structure of the Jewish communal life in America

News from the School of the Jewish Woman, 1969 **The Americans: The Democratic Experience** Daniel J. Boorstin, 2010-11-03 Winner of the Pulitzer Prize A study of the last 100 years of American history

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1972 **The New York Genealogical and Biographical Record** Richard Henry Greene, Henry Reed Stiles, Melatiah Everett Dwight, George Austin Morrison, Hopper Striker Mott, John Reynolds Totten, Harold Minot Pitman, Charles Andrew Ditmas, Louis Effingham De Forest, Conklin Mann, Arthur S. Maynard, 1878

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954, 1986

Shul with a Pool David Kaufman, 1999 The evolution of an American institution that reflects the unique tension between Judaism and Jewishness Some Friends of Mine Edward Verrall Lucas, 1909

Rage and Glory David Sheward, 2008-10 Examines the life and accomplishments of this powerful actor through a review of the roles he has played and awards he has received while delving into his personal life and the dramas he managed off stage including a sexual harrassment suit and an affair with Ava Gardner
