

OLD MOBILE

FORT LOUIS DE LA
LOUISIANE 1702-1711

JAY HIGGINBOTHAM

Old Mobile Fort Louis Del La Louisiane 1702 1711

Professor Jeremy Black, Jeremy Black

Old Mobile Fort Louis Del La Louisiane 1702 1711:

Old Mobile Jay Higginbotham,1991-03-30 Higginbotham has given to American historiography a microcosmic view of one of the earliest and most important outposts in the colonial new world The Latin South can henceforth not be ignored Alabama Historical Quarterly The definitive account superbly recounted Journal of Southern History Meticulously documented Recommended for libraries interested in the colonial period Choice Mind boggling a stupendous job of research It is amazing that Higginbotham can recreate in such detail the lives of these people All history books should be written like this BirminghamMagazine *French Colonial Louisiana and the Atlantic World* Bradley G. Bond,2005-07-01 French colonial Louisiana has failed to occupy a place in the historic consciousness of the United States perhaps owing to its short duration 1699 1762 and its standing outside the dominant narrative of the British colonies in North America This anthology seeks to locate early Louisiana in its proper place bringing together a broad range of scholarship that depicts a complex and vibrant sphere Colonial Louisiana comprised the vast center of what would become the United States It lay between Spanish British and French colonies in North America and the Caribbean and between woodland and eastern plains Indians As such it provided a meeting place for Europeans Africans and native Americans functioning as a crossroads between the New World and other worlds While acknowledging colonial Louisiana s peripheral position in U S and Atlantic World history this volume demonstrates that the colony stands at the thematic center of the shared narratives and historiographies of diverse places Through its twelve essays *French Colonial Louisiana and the Atlantic World* tells a whole story the story of a place that belongs to the historic narrative of the Atlantic World

Hidden History of Mobile Joe Cuhaj,2020-01-20 It was an unlikely place for a city scourged by disease ridden mosquitos and pummeled by hurricanes But for more than three hundred years Mobile has thrived on the unlikely and endured the unimaginable Mobilians love their gumbo but are likely unaware that it was first served up here by women sent from France to foster population growth Times were once so dire for free blacks that a shocking number petitioned the courts to become slaves The city witnessed the first operational submarine the first Mardi Gras celebration and the last major battle of the Civil War Author Joe Cuhaj navigates the backwaters of Mobile s fascinating history

La Salle and His Legacy Patricia K. Galloway,2011-03-07 To most people it probably seems that La Salle and his men permanently fixed in the pantheon of explorers of the North American continent need little further introduction The fact is that this whole early period of exploration and colonization by the French in the southeastern United States has received far less scholarly attention than the corresponding English and Spanish activities in the same area and even the existing scholarship has failed to focus clearly upon the Indian tribes whose attitudes toward the European newcomers were crucial to their very survival In this collection of essays marking the tricentennial of Ren Robert Cavelier de La Salle s 1682 expedition into the Lower Mississippi Valley thirteen scholars from a variety of disciplines assess his legacy and the significance of French colonialism in the Southeast These scholars in the fields of French colonial history and the

ethnohistory of the Indians of the Louisiana Colony deal with a diversity of topics ranging from La Salle's expedition itself and its place in the context of New World colonialism in general to the interaction of French settlers with native Indian tribes

American Indians in the Lower Mississippi Valley Daniel H. Usner, Jr., 1998-01-01 During the eighteenth and nineteenth centuries the Native peoples inhabiting the Lower Mississippi Valley confronted increasing domination by colonial powers disastrous reductions in population and the threat of being marginalized by a new cotton economy Their strategies of resistance and adaptation to these changes are brought to light in this perceptive study An introductory overview of the historiography of Native peoples in the early Southeast examines how the study of Native colonial relations has changed over the last century Daniel H. Usner Jr. reevaluates the Natchez Indians ill fated relations with the French and the cultural effects of Native population losses from disease and warfare during the eighteenth century Usner next examines in detail the social and economic relations the Native peoples forged in the face of colonial domination and demographic decline and he reveals how Natives adapted to the cotton economy which displaced their familiar social and economic networks of interaction with outsiders Finally Usner offers an intriguing excursion into cultural criticism assessing the effects of popular images of Natives from this region

American Encounters Peter C. Mancall, James Hart Merrell, 2000 A collection of articles that describe the relationships and encounters between Native Americans and Europeans throughout American history

[The Transformation of the Southeastern Indians, 1540-1760](#) Robbie Ethridge, Charles Hudson, 2010-12-01 With essays by Stephen Davis Penelope Drooker Patricia K. Galloway Steven Hahn Charles Hudson Marvin Jeter Paul Kelton Timothy Pertulla Christopher Rodning Helen Rountree Marvin T. Smith and John Worth The first two hundred years of Western civilization in the Americas was a time when fundamental and sometimes catastrophic changes occurred in Native American communities in the South In *The Transformation of the Southeastern Indians 1540-1760* historians anthropologists and archaeologists provide perspectives on how this era shaped American Indian society for later generations and how it even affects these communities today This collection of essays presents the most current scholarship on the social history of the South identifying and examining the historical forces trends and events that were attendant to the formation of the Indians of the colonial South The essayists discuss how Southeastern Indian culture and society evolved They focus on such aspects as the introduction of European diseases to the New World long distance migration and relocation the influences of the Spanish mission system the effects of the English plantation system the northern fur trade of the English and the French Dutch and English trade of Indian slaves and deerskins in the South This book covers the full geographic and social scope of the Southeast including the indigenous peoples of Florida Virginia Maryland the Appalachian Mountains the Carolina Piedmont the Ohio Valley and the Central and Lower Mississippi Valleys

Indians, Settlers, and Slaves in a Frontier Exchange Economy Daniel H. Usner Jr., 2014-01-01 In this pioneering book Daniel Usner examines the economic and cultural interactions among the Indians Europeans and African slaves of colonial Louisiana including the province of West Florida

Rather than focusing on a single cultural group or on a particular economic activity this study traces the complex social linkages among Indian villages colonial plantations hunting camps military outposts and port towns across a large region of pre cotton South Usner begins by providing a chronological overview of events from French settlement of the area in 1699 to Spanish acquisition of West Florida after the Revolution He then shows how early confrontations and transactions shaped the formation of Louisiana into a distinct colonial region with a social system based on mutual needs of subsistence Usner s focus on commerce allows him to illuminate the motives in the contest for empire among the French English and Spanish as well as to trace the personal networks of communication and exchange that existed among the territory s inhabitants By revealing the economic and social world of early Louisianians he lays the groundwork for a better understanding of later Southern society

Colonial Natchitoches Helen Sophie Burton,F. Todd Smith,2008-01-22 Strategically located at the western edge of the Atlantic World the French post of Natchitoches thrived during the eighteenth century as a trade hub between the well supplied settlers and the isolated Spaniards and Indians of Texas Its critical economic and diplomatic role made it the most important community on the Louisiana Texas frontier during the colonial era Despite the community s critical role under French and then Spanish rule Colonial Natchitoches is the first thorough study of its society and economy Founded in 1714 four years before New Orleans Natchitoches developed a creole American born of French descent society that dominated the Louisiana Texas frontier H Sophie Burton and F Todd Smith carefully demonstrate not only the persistence of this creole dominance but also how it was maintained They examine as well the other ethnic cultures present in the town and relations with Indians in the surrounding area Through statistical analyses of birth and baptismal records census figures and appropriate French and Spanish archives Burton and Smith reach surprising conclusions about the nature of society and commerce in colonial Natchitoches

Historical Dictionary of the American Frontier Jay H. Buckley,Brenden W. Rensink,2015-05-05 The Historical Dictionary of the American Frontier covers early Euro American exploration and development of frontiers in North America but not only the lands that would eventually be incorporated into the Unites States it also includes the multiple North American frontiers explored by Spain France Russia England and others The focus is upon Euro American activities in frontier exploration and development but the roles of indigenous peoples in these processes is highlighted throughout The history of this period is covered through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on explorers adventurers traders religious orders developers and indigenous peoples This book is an excellent access point for students researchers and anyone wanting to know more about the development of the American frontier

European Warfare, 1660-1815 Professor Jeremy Black,Jeremy Black,2023-05-26 This is a history of warfare wars and the armed forces of Europe from the military revolution of the mid 17th century to the Napoleonic wars This book is intended for broad based undergrad courses on 18th century Europe Britain and the Ancien Regime 2nd and 3rd year thematic courses on warfare in the modern period and

students of war studies **Eastern Pleasure Island Hurricane Evacuation Route, Lower Baldwin County Evacuation Route, Baldwin County** ,1996 **Cotton City** Harriet E. Amos Doss,2001-07-02 Amos s study delineates the basis for Mobile s growth and the ways in which residents and their government promoted growth and adapted to it The Only Land They Knew James Leitch Wright,1999-01-01 In this unsurpassed history of the Native peoples of the southern United States J Leitch Wright Jr describes Native lives customs and encounters with Europeans and Africans from late prehistory through the nineteenth century Louisiana's Creole French People: Our Language, Food & Culture John LaFleur II,2014-07-10 In this provocative and poignant book 500 Years Of Culture Louisiana s Creole French Metis People Food Language and Culture I seek to provide my intelligent lay readers appropriate and useful scholarly resources which illustrate that a pre Acadian culture of Canadian and North American M tis roots to which was added European African and later Spanish elements combined in both Upper and Lower Louisiana resulting in a multi ethnic but distinctly unique Louisiana Creole culture Though reminiscent of other kindred Creole cultures and people of the world of the former French Empire she remains unique This unique historic but forgotten culture existed prior to the arrival of the Acadians and its cultural and linguistic traditions resulted in Louisiana s historic Creole culture This multi ethnic culture s food ways language and social traditions were hijacked and promoted as if it was something totally new in the 1970s and 80s and then relabeled Cajun with no regard for the pre existant and dominant history and sensibilities of the non white ethnicities who were the true originators and creators of Louisiana s long indigenous and pre Acadian culture It is my hope to sufficiently demonstrate through this historical narrative which is both passionate and humorous how greed ignorance and commerce joined hands in relabeling Louisiana s historic multi ethnic Creole French and metis culture as if Acadian Canada was the source of this remarkable and unusual culture which remains foreign to anything in Acadie Informative and well researched I submit to you the reading and caring public this revision which is also a much more readable better edited and supplemented text In this book for example a badly needed chapter on the cultural relationship between Louisiana Creole and Haitian Creole culture is provided and will prove to be a great source of help in avoiding needless confusion of these two separate but kindred cultures Though small this little book will no doubt prove to be a powerhouse of jaw dropping facts as it is an uproariously humorous expose of one of the most popular cultural forces in America and across the planet today And notwithstanding our best efforts sometimes typographical errors and misses occur For whatever imperfections of text remain I take full responsibility as I also apologize to you dear reader **American Revolution** Spencer C. Tucker,2018-09-14 With more than 1 300 cross referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early

American Republic Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States

Ottawa Valley Ancestry: A Dempsey Family History Gary T. Dempsey,2010-11 This revised and expanded 5th edition contains more than 660 pages of research on the Dempsey Romain Laderoute and Gervais families of the Ottawa Valley in Canada It also contains more than 100 vintage photographs as well as extensive historical research on the Quebec towns of Fort Coulonge and Waltham and the Ontario towns of Pembroke Westmeath and La Passe In other words whatever your family s surname the book contains resource material for anyone interested in Ottawa Valley history or interested in starting genealogical research of their own

Louisiana Bennett H. Wall,John C. Rodrigue,2014-01-28 Covering the lively even raucous history of Louisiana from before First Contact through the Elections of 2012 this sixth edition of the classic Louisiana history survey provides an engaging and comprehensive narrative of what is arguably America s most colorful state Since the appearance of the first edition of this classic text in 1984 Louisiana A History has remained the best loved and most highly regarded college level survey of Louisiana on the market Compiled by some of the foremost experts in the field of Louisiana history who combine their own research with recent historical discoveries Includes complete coverage of the most recent events in political and environmental history including the continued aftermath of Katrina and the 2010 BP oil spill Considers the interrelationship between Louisiana history and that of the American South and the nation as a whole Written in an engaging and accessible style complemented by more than a hundred photographs and maps

The Upper Country Claiborne A. Skinner,2008-06-27 The Upper Country melds myth and conventional history to provide a memorable tale of French designs in the middle of what became the United States Putting the reader on the battlefields at the trading posts and on the rivers with voyageurs and their allies from the Indian nations Claiborne Skinner reveals the saintly missionaries and jolly fur traders of popular myth as agents of a hard nosed often ruthless imperial endeavor Skinner s engaging narrative takes the reader through daily life at posts like Forts Saint Louis and Michilimakinac illuminates the complexities of interracial marriage with the courtship of Michel Aco at Peoria and explains how France s New World adventurism played a role in the outbreak of the Seven Years War and the beginning of the modern era In this story many of the traditional heroes and villains of American history take on surprising roles The last Stuart kings of England seem shrewd and even human George Washington makes his debut appearance on the stage of

history by assassinating a French officer and plunging Europe into the first truly global war From unthinkable hardship to dreams of fur trade profits this fascinating exploration sheds new light on France and its imperial venture into the Great Lakes

Carnival in Alabama Isabel Machado, 2023-01-27 Mobile is simultaneously a typical and unique city in the postwar United States It was a quintessential boomtown during World War II That prosperity was followed by a period of rapid urban decline and subsequent attempts at revitalizing or gentrifying its downtown area As in many other US cities urban renewal integration and other socioeconomic developments led to white flight marginalized the African American population and set the stage for the development of LGBTQ community building and subculture Yet these usually segregated segments of society in Mobile converged once a year to create a common identity that of a Carnival City Carnival in Alabama looks not only at the people who participated in Mardi Gras organizations divided by race gender and or sexual orientation but also investigates the experience of marked bodies outside of these organizations or people involved in Carnival through their labor or as audiences or publics of the spectacle It also expands the definition of Mobile s Carnival tradition beyond the official pageantry by including street maskers and laborers and neighborhood cookouts Using archival sources and oral history interviews to investigate and analyze the roles assigned inaccessible to or claimed and appropriated by straight identified African American men and women and people who defied gender and sexuality normativity in the festivities regardless of their racial identity this book illuminates power dynamics through culture and ritual By looking at Carnival as an invented tradition and as a semiotic system associated with discourses of power it joins a transnational conversation about the phenomenon
