Problems of the Aging United States. Congress. Senate. Special Committee on Aging,1961 **Social and Medical Problems of the Elderly** Kenneth Hazell,2024-05-10 In the 1960s and 1970s doctors were increasingly trained to apply science to the eradication of disease the accent being on the treatment of disease rather than the true welfare of the patient This is not the same as dealing with illness and its attendant problems Originally published in 1976 this book highlights the modern approach to the care of the elderly at the time and emphasises the individual contributions of doctor nurse social worker and paramedical members of the team It also stresses the important role of voluntary associations relatives and neighbours Much of the book is concerned with the particular medical problems which occur in the elderly and would have been of great help to the physician practising geriatric medicine at the time This new fourth edition of the standard textbook had been fully revised and includes additional chapters on such important and practical matters as Pensionable Retirement Housing Home Help Services and the scope of the Hospital Advisory Service Problems of the Aged and Aging United States. Congress. House. Committee on Education and Labor,1962 Programs, Resources for Older People, Report to the President United States. Federal Council on Aging,1959 **The Care of Older People** Mayumi Hayashi,2015-10-06 Across the globe populations are getting older Hayashi surveys the development of residential care in Britain and Japan from the 1920s onwards using regional case studies and taking into account the influence of traditions and cultural norms **Mental Health Problems in Old Age** Brian Gearing,Malcolm L. Johnson,Malcolm Johnson,Tom Heller,1988-05-23 This multi disciplinary and multi occupational work contains newly commissioned material and previously unpublished articles on mental health disorders that afflict the aged Written to promote an awareness of the nature of mental health disorders found in older people it also discusses the pros and cons of current community health policies **The Aged and Aging in the United States; a National Problem** United States. Congress. Senate. Committee on Labor and Public Welfare,1960

Issues in Aging Mark Novak,2018-02-02 Issues in Aging combines social psychological biological and philosophical perspectives to present a multifaceted picture of aging Novak illustrates both the problems and the opportunities that accompany older age This text helps students understand the tremendous variability in aging and introduces them to careers working with older adults This new edition reflects the continued changes in the way we age The fourth edition has been updated to include emerging issues in aging These include the prevalence of HIV AIDs in later life current research on mental potential in old age the creation of age friendly cities and new options for end of life care Each chapter begins with a set of learning objectives to guide students in their reading and concludes with a list of main points questions for discussion or study suggested readings and relevant web sites to consult Each chapter also includes up to date charts and graphs as

well as key terms to help students understand the issues presented Break out boxes reveal the human side of aging through the stories of individuals in real life and in the media The Care of the Elderly in Japan Yongmei Wu, 2004-08-02 This book based on extensive fieldwork in a Japanese institution for the elderly explores the whole issue of ageing and responses to it in Japan and compares the Japanese approach in these matters with Western approaches Older Americans in Rural Areas United States.
