Old Shirts New Skins:

Understanding Sherman Alexie Daniel Grassian, 2005 In this first book length examination of Native American poet novelist filmmaker and short story writer Sherman Alexie Daniel Grassian offers a comprehensive look at a writer immersed in traditional Native American as well as mainstream American culture Grassian explores Alexie's ability to counteract lingering stereotypes of Native Americans his challenges to the dominant American history and his suspicion of the New Age movement

Politics and Aesthetics in Contemporary Native American Literature Matthew Herman, 2010-02 This book provides the historical framework for the shift in Native American literary studies away from cultural analyses toward more politically inflected and motivated perspectives and examines the key moments in this turn

An Ethics of Reading Sandra Cox, 2016-01-14 An Ethics of Reading considers how writers of contemporary American fiction represent collective identities by producing literature that bears witness to cultural traumas With chapters focused on important American novelists including Toni Morrison Alice Walker Sherman Alexie Edwidge Danticat and Junot Diaz the book works to situate novels that explore ethnic identity in conversation with one another From those intertextual conversations it draws conclusions about how fiction functions as testimony and the ways that readers might work to ethically respond to the testimonial features of the prose The book's investigations of distinct cultural traumas are broad ranging from analyses of African American novels that treat slavery to Native American novels that portray land and child theft to Dominican and Haitian American accounts of US backed hegemony in the Caribbean diaspora Ultimately the central claim of the book that some works of contemporary American fiction function both didactically and aesthetically as cultural markers around which ethnic identities might be negotiated by writers and readers becomes a kind of call to action for literary studies in the early 21st century encouraging an ideological and pragmatic shift in how contemporary literature is read analysed and discussed By suggesting specific strategies for considering ethnicity in a radically diasporic American context the book calls for critical engagement that is also concerned with the ethics of interpretive praxis which it suggests might be a mechanism for building coalitions for social justice within around and through literature

That Dream Shall Have a Name David L. Moore, 2020-04-01 The founding idea of America has been based largely on the expected sweeping away of Native Americans to make room for EuroAmericans and their cultures In this authoritative study David L Moore examines the works of five well known Native American writers and their efforts beginning in the colonial period to redefine an America and American identity that includes Native Americans That Dream Shall Have a Name focuses on the writing of Pequot Methodist minister William Apess in the 1830s on Northern Paiute activist Sarah Winnemucca in the 1880s on Salish M'tis novelist historian and activist D Arcy McNickle in the 1930s and on Laguna poet and novelist Leslie Marmon Silko and on Spokane poet novelist humorist and filmmaker Sherman Alexie both in the latter twentieth and early twenty first centuries Moore studies these five writers stories about the conflicted topics of sovereignty community identity and authenticity always tinged with irony and

often with humor He shows how Native Americans have tried from the beginning to shape an American narrative closer to its own ideals one that does not include the death and destruction of their peoples This compelling work offers keen insights into the relationships between Native and American identity and politics in a way that is both accessible to newcomers and compelling to those already familiar with these fields of study

Humor in Contemporary Native North American

Literature Eva Gruber, 2008 Encompassing view of humor in recent Native North American literature with particular focus on Native self image and identity In contrast to the popular cliché of the stoic Indian humor has always been important in Native North American cultures Recent Native literature testifies to the centrality of this tradition Yet literary criticism has so far largely neglected these humorous aspects instead frequently choosing to concentrate on representations of trauma and cultural disruption at the risk of reducing Native characters and Native cultures to the position of the tragic victim This first comprehensive study explores the use of humor in today's Native writing focusing on a wide variety of texts spanning all genres It combines concepts from cultural studies and humor studies with approaches by Native thinkers and critics analyzing the possible effects of humorous forms of representation on the self image and identity formation of Native individuals and Native cultures Humor emerges as an indispensable tool for engaging with existing stereotypes Native writers subvert degrading clichés of the Indian from within reimagining Nateness in a celebration of laughing survivors decolonizing the minds of both Native and non native readers and contributing to a renewal of Native cultural identity This book will be of interest to scholars and students of Native Studies both literary and cultural Due to its encompassing approach it will also provide a point of entry for the wider readership interested in contemporary Native writing Eva Gruber is Assistant Professor in the American Studies section of the Department of Literature at the University of Konstanz Germany

Over the course of the last twenty years Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual cultural political historical and tribal nation contexts from which these Indigenous literatures emerge The Oxford Handbook of Indigenous American Literature reflects on these changes and provides a complete overview of the current state of the field The Handbook s forty three essays organized into four sections cover oral traditions poetry drama non fiction fiction and other forms of Indigenous American writing from the seventeenth through the twenty first century Part I attends to literary histories across a range of communities providing for example analyses of Inuit Chicana o Anishinaabe and M tis literary practices Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non fiction emergent trans Indigenous autobiography Mexicanoh and Spanish poetry Native drama in the U S and Canada and even a new Indigenous children s literature canon The third section delves into contemporary modes of critical inquiry to expound on politics of place comparative Indigenism trans Indigenism Native rhetoric and the power of Indigenous writing to communities of readers A final section thoroughly explores the geographical breadth and expanded definition of Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions literary histories geographic and political contexts and critical discourses in the field [American Indian Literature](#) Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of

Methodist minister William Apess to the Pulitzer Prize winning novel *House Made of Dawn* by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it

When Brer Rabbit Meets Coyote Jonathan Brennan, 2003 An exploration of the literature history and culture of people of mixed African American and Native American descent *When Brer Rabbit Meets Coyote* is the first book to theorize an African Native American literary tradition In examining this overlooked tradition the book prompts a reconsideration of interracial relations in American history and literature Jonathan Brennan in a sweeping historical and analytical introduction to this collection of essays surveys several centuries of literature in the context of the historical and cultural exchange and development of distinct African Native American traditions Positing a new African Native American literary theory he illuminates the roles subjectivity situational identities and strategic discourse play in defining African Native American literatures Brennan provides a thorough background to the literary tradition and a valuable overview to topics discussed in the essays He examines African Native American political and historical texts travel narratives and the Mardi Gras Indian tradition suggesting that this evolving oral tradition parallels the development of numerous Black Indian literary traditions in the United States and Latin America

Speak to Me Words Dean Rader, Janice Gould, 2003 Although American Indian poetry is widely read and discussed few resources have been available that focus on it critically This book is the first collection of essays on the genre bringing poetry out from under the shadow of fiction in the study of Native American literature Highlighting various aspects of poetry written by American Indians since the 1960s it is a wide ranging collection that balances the insights of Natives and non Natives men and women old and new voices

Anonymous, 2024-06-25 Reprint of the original first published in 1876 **Historical Collections** Michigan State Historical Society, 1905 *Michigan Historical Collections*, 1905 **Custerology** Michael A. Elliott, 2008-08-26 On a hot summer day in 1876 George Armstrong Custer led the Seventh Cavalry to the most famous defeat in U S military history Outnumbered and exhausted the Seventh Cavalry lost more than half of its 400 men and every soldier under Custer's direct command was killed It's easy to understand why this tremendous defeat shocked the American public at the time But with Custerology Michael A Elliott tackles the far more complicated question of why the battle still haunts the American imagination today Weaving vivid historical accounts of Custer at Little Bighorn with contemporary commemorations that range from battle reenactments to the unfinished Crazy Horse memorial Elliott reveals a Custer and a West whose legacies are still vigorously contested He takes readers to each of the important places of Custer's life from his Civil War home in Michigan to the site of his famous demise and introduces us to Native American activists Park Service rangers and devoted history buffs along the way Elliott shows how Custer and the Indian Wars continue to be both a powerful symbol of America's bloody past and a crucial key to understanding the nation's multicultural present Elliott is an approachable guide as he takes readers to battlefields where Custer fought American Indians to the Michigan town of Monroe that Custer called home after he moved there at age 10 to the Black Hills of South Dakota where Custer led an expedition that gave birth to a gold rush Steve Weinberg Atlanta Journal Constitution By Custerology Elliott means the historical interpretation and commemoration of Custer and the Indian Wars in which he fought not only by those who honor Custer but by those who celebrate the Native American resistance that defeated him The purpose of this book is to show how Custer and the Little Bighorn can be and have been commemorated for such contradictory purposes Library Journal Michael Elliott's Custerology is vivid trenchant engrossing and important The American soldier George Armstrong Custer has been the subject of very nearly incessant debate for almost a century and a half and the debate is multicultural multinational and multimedia Mr Elliott's book provides by far the best overview and no one interested in the long haired soldier whom the Indians called Son of the Morning Star can afford to miss it Larry McMurtry **Sing with the Heart of a Bear** Kenneth Lincoln, 2023-09-01

Examining contemporary poetry by way of ethnicity and gender Kenneth Lincoln tracks the Renaissance invention of the Wild Man and the recurrent Adamic myth of the lost Garden He discusses the first anthology of American Indian verse The Path on the Rainbow 1918 which opened Jorge Luis Borges university surveys of American literature to thirty five contemporary Indian poets who speak to with and against American mainstream bards From Whitman s free verse through the Greenwich Village Renaissance sandwiched between the world wars and the post apocalyptic Beat incantations to transglobal questions of tribe and verse at the century s close Lincoln shows where we mine the mother lode of New World voices what distinguishes American verse which tales our poets sing and what inflections we hear in the rhythms pitches and parsings of native lines Lincoln presents the Lakota concept of singing with the heart of a bear as poetry which moves through an artist He argues for a fusion of estranged cultures tribal and migr margin and mainstream in detailing the ethnopoetics of Native American translation and the growing modernist concern for a native sense of the makings of American verse This fascinating work represents a major new effort in understanding American and Native American literature spirituality and culture
