Old Testament Characters:

Bible Characters - Vol. 1-6 Alexander Whyte, 2011 Alexander Whyte's well researched collection of Bible biographies has been of indispensable use to pastors study group leaders and students of the scriptures for over 100 years. It is the most comprehensive and most well respected source of material for understanding the characters involved in the events of the Bible ever published. This is indeed the best exposition on Biblical characters ever written. Alexander Whyte reveals insights into the lives of the people of the Bible that casual readers might never find. Then he powerfully applies truths revealed in such a way that the reader is left spiritually convicted and seeking God's mercy. The complete edition contains nearly 150 in depth character studies from Genesis to Revelation. This edition is completely linked with a working table of contents for ease of navigation and study. This is the **ULTIMATE** Bible character study e book. Through the scriptures you meet the people of the Bible. But through Alexander Whyte you will come to know them better. Next to the Bible you will find Bible Characters the greatest help in understanding the men and women in God's Word. Whyte writes brief biographies faithful to the Biblical text. Without stretching the truth he stretches our minds to embrace the character of the individuals revealed there. He is never superficial. He writes like a modern newspaperman in terms of human interest and deep insight. It's just as though he had interviewed an individual and returned to the newspaper office to write up the feature. The reader of these works will not be disappointed as they will walk away with a deeper and greater understanding of those men and women God used in his Word as examples for us all. *Old Testament Characters* Peter Scazzero, 2011-10-20 Abraham is an unforgettable figure of faith. Daniel is a classic example of holiness. And through her willingness to risk her own life Esther embodies commitment. [Bible Characters](#) Alexander Whyte, 2020-09-07 Alexander Whyte's classic biographies of Biblical characters are accurate and spiritually respectful. This volume begins with Adam and concludes with Achan. The author uses depictions and quotations from classical literature together with the Old Testament to describe each character of the Bible. His own professional experience as a minister working in Free Church of Scotland and the theological study which underpinned his education allow Whyte to maintain accurate and canonical

depictions The characters are chronologically arranged by their appearance beginning with the Book of Genesis the first book of the Bible and one rich with characters and their roles in mankind s early history Individual chapters and verses from the Bible are explained with a finesse stemming from Whyte s longtime role as an educator By the time this work was published in 1896 the author had decades of experience in education recounting the lives of Biblical figures to parishioners and students of Christianity Readers can thus expect a thorough and informative account of Old Testament characters their deeds and place in the sequence of events

80 Old Testament Characters of World History: Chronological, Historical and Archaeological Evidence Gerard Gertoux,2016-02-27 Despite the fact that the name of many characters mentioned in

the Old Testament like David King of Israel have been recently confirmed by archaeology as well as their epoch and the events in which they were involved most archaeologists continue to deny the historicity of the Bible they view as pious fiction or a mythical account They argue that the major events in the Bible such as the victory of Abraham against Chedorlaomer an unknown king of Elam around 2000 BCE the victory of Moses against an unknown Pharaoh around 1500 BCE or the victory of Esther an unknown Persian Queen against an unknown vizier of Xerxes never existed because they left absolutely no evidence They also explain that according to what we know today these events could not have occurred These logical arguments are impressive but a precise chronological analysis based on absolute dates coupled with a rigorous historical investigation shows that all those major events really took place at the dates and places indicated **Old Testament**
