Matthean Passion Narrative The Meaning of the Death of Jesus through the Lens of Irony Bibliography Indexes **The Politics of Race and Ethnicity in Matthew's Passion Narrative** Wongi Park, 2019-01-21 In Matthew's passion narrative the ethnoracial identity of Jesus comes into sharp focus The repetition of the title King of the Judeans foregrounds the politics of race and ethnicity Despite the explicit use of terminology previous scholarship has understood the title curiously in non ethnoracial ways This book takes the peculiar omission in the history of interpretation as its point of departure It provides an expanded ethnoracial reading of the text and poses a fundamental ideological question that interrogates the pattern in the larger context of modern biblical scholarship Wongi Park issues a critique of the dominant narrative and presents an alternative reading of Matthew's passion narrative He identifies a critical vocabulary and framework of analysis to decode the politics of race and ethnicity implicit in the history of interpretation Ultimately the book lends itself to a broader research agenda the destabilization of the dominant narrative of early Christianity's non ethnoracial origins **The Passion of Jesus in the Gospel of Mark** Donald Senior, 1984 *A Theology of Matthew's Gospel* Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide

the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey, and are the basis of our ongoing transformation to become like Jesus.

The Resurrection of the Messiah Francis J. Moloney, 2013 Taking inspiration from a different interpretative tradition, the classic work of Raymond Brown on the birth and death of the Messiah, Francis Moloney has provided a comprehensive narrative reading of the resurrection stories of all four Gospels in close association with their passion narratives, to which they are the stunning response. The book traces how the four evangelists' different telling of the resurrection stories has narrated the action of God for Jesus and the action of God and Jesus for all Christians in and through the early Church's belief and experience of the resurrection of Jesus. The final chapter discusses what we can recover about the events of Easter day and, more importantly, what these events meant then and continue to mean today.
