Past Malice An Emma Fielding Mystery:

Past Malice Dana Cameron, 2009-10-13 Now a film for Hallmark Movies Mysteries starring Courtney Thorne Smith and James Tupper What bones are buried in the shadows of the past Asked to join in a dig at the site of the eighteenth century Chandler House archaeologist Emma Fielding and her student crew have descended upon Stone Harbor Massachusetts But certain residents of the tiny coastal community are none too happy about Emma's arrival especially when her excavation uncovers a pair of freshly slain corpses There are dark forces at play in this dangerously divided town where a distrust of strangers wars with a desire for tourist dollars And when a young local's life is snuffed out Emma is determined to get to the twisted roots of the strange secrets buried in this killing ground But a mystery that lies among the tumbled ruins of a once grand manor could change Stone Harbor forever And for some murderous someone one more death Emma's would be a small price to pay to keep it hidden

A Fugitive Truth Dana Cameron, 2009-10-13 The past's blood stains the present The opportunity of a lifetime awaits archaeologist Emma Fielding in the Berkshire foothills of Western Massachusetts the chance to study the eighteenth century diary of Margaret Chandler the accused witch and murderess whose home Emma excavated only months before However the three other Shrewsbury Foundation fellows she must share the premises with are a disturbingly odd bunch and before too long one of them is dead But Emma can find no solace in the bleak beauty of the surrounding wilderness for there are dark secrets encoded in Madam Chandler's writings and shocking parallels between an ancient slaying and the strange brutal demise of her colleague When the killer strikes again Emma realizes her own life is at stake And suddenly there is no choice left she is driven to investigate bloody crimes past and present before her own death becomes a footnote in a chilling three centuries old story

Past Malice Dana Cameron, 2003 Asked to join a dig at the site of the eighteenth century Chandler House archaeologist Emma Fielding and her student crew have descended upon Stone Harbor Massachusetts But certain residents of the tiny coastal community are none too happy about Emma's arrival especially when her excavation uncovers a pair of freshly slain corpses There are dark forces at play in this dangerously divided town where a distrust of strangers wars with a desire for tourist dollars And when a young local's life is snuffed out Emma is determined to get to the twisted roots of the strange secrets buried in this killing ground

More Bitter Than Death Dana Cameron, 2009-03-17 It's a deadly winter for archaeologist Emma Fielding as she tracks a killer in an old New Hampshire hotel in this fifth mystery from real life archaeologist Dana Cameron Archaeologist Emma Fielding should be on top of the world Her teaching job secure and home life stable she arrives at an archaeological conference at a famous old New Hampshire hotel having outrun the winter storm that's paralyzing the East Coast A rising star in the field she's in the midst of friends she's known all her life celebrating the work of Professor Garrison a venerable legend in the field When Garrison is found dead on the iced over lake outside the snow bound hotel however Emma realizes that everyone has something to hide including herself While the police determine whether Garrison's death was an accident suicide or murder

Emma's intimate knowledge of her colleagues hasn't prepared her for what they're concealing even from themselves. Emma is also forced to face the fact that the dead man was no friend of hers or her grandfather Oscar and that everyone—colleagues, police, and herself included—wonders why her view of him is so very different. The presence of Emma's old flame Duncan brings up bitter memories she'd rather were left buried deep in the past. Duncan wants something from her and Emma can't tell whether it is an opportunity to rekindle their relationship or a way to ensure her silence permanently. Professional jealousies and infighting would be enough added to Garrison's mysterious death, but a series of thefts and attacks in the isolated hotel make the stranded archaeologists ask whether a vengeful ghost has returned. Practiced criminals are targeting the conference or one of their own number has finally succumbed to an array of deadly temptations.

In order to pursue her passion for this dig, she'll have to insert herself into a murder investigation and unearth the killer's identity before she becomes the next victim. PAST MALICE AN EMMA FIELDING MYSTERY When archaeologist Emma Fielding is called upon to consult on a state historical project and discovers the body of another archaeologist in a secret chamber beneath the castle, she calls in her pal, FBI agent Jim Conner, to help her sort out the evidence and determine whether the Curse of the Chandlers is real. MORE BITTER THAN DEATH AN EMMA FIELDING MYSTERY It's a deadly winter for archaeologist Emma Fielding as she tracks a killer in an old New Hampshire hotel in this thrilling mystery from real-life archaeologist Dana Cameron.

Ashes and Bones Dana Cameron, 2009-10-13 Just when everything is going beautifully for archaeologist Emma Fielding—a position at a respected university, a beautiful home in New England, and the warm love of a devoted husband—her world starts to crumble. What begins as a series of seemingly innocent gestures—the anonymous delivery of gifts and flowers to Emma's family and friends—soon progresses to secret sadistic acts designed to destroy her reputation, her character, and her career. Someone has instituted a brilliantly insidious campaign of personal terror against Emma Fielding, and she is certain she knows who it is: a cunning and dangerous enemy whom everyone but she believes is dead. But with no proof, no clues, and no allies, Emma will have to fight alone in the dark to rescue a life being rapidly reduced to ashes if she can survive long enough to do so.
