Avoiding Armageddon Jeremy Black,2012-07-05 Here is an original and up to date account of a key period of military history one that not only links the two World Wars but also anticipates the more complex nature of conflict following the Cold War Black links the two World Wars between the overcoming of trench warfare in the campaigns of 1918 and the fall of France in 1940 This was a period when militaries governments and publics digested the lessons of the Great War and prepared for another major struggle Black also locates the period in terms of long term questions in military history including the relationship between symmetrical and asymmetrical warfare the tensions surrounding innovation the pressures and possibilities created by technological change and the impact of ideology on the causes and conduct of war Avoiding Armageddon devotes particular attention to the Far East as part of Black's worldwide coverage He also assesses the role of the military in internal politics and establishes the importance of civil wars **Creepy Archives Volume 9**

George,2003 The historian and former Philadelphia Daily News editor revisits the nation s response to the Cuban Missile Crisis finding Americans woefully unprepared to face the realities of nuclear brinksmanship and war because of years of concealment and cultural denial History **Armageddon** ,1858 *Rushing Ahead to Armageddon* Christopher M. Jones,2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38-39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38-39 in light of the Bible Author s Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time In the Name of Elijah Muhammad Mattias Gardell,1996-10-07 *In the Name of Elijah Muhammad* tells the story of the Nation of Islam its rise in northern inner city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan Mattias Gardell sets this story within the context of African American social history the legacy of black nationalism and the long but hidden Islamic presence in North America He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States and its current leader Beginning with Master Farad Muhammad believed to be God in Person Gardell examines the origins of the Nation His research on the period of Elijah Muhammad s long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau s attempts to neutralize the Nation of Islam In addition they shed new light on the circumstances surrounding the murder of

Malcolm X With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad's death Gardell then turns to the figure of Minister Farrakhan From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March Farrakhan has often been portrayed as a demagogue bigot racist and anti Semite Gardell balances the media's view of the Nation and Farrakhan with the Nation's own views and with the perspectives of the black community in which the organization actively works His investigation based on field research taped lectures and interviews leads to the fullest account yet of the Nation of Islam's ideology and theology and its complicated relations with mainstream Islam the black church the Jewish community extremist white nationalists and the urban culture of black American youth particularly the hip hop movement and gangs
