ENC Focus ,1994 **Sharing the Journey: Literature for Young Children** David Yellin,2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children s literature will help readers select and share quality books for and with young children Specifically focused on infants through the third grade Sharing the Journey contains descriptive book annotations instructive commentary and creative teaching activities tailored for those important years Extensive book lists throughout will help readers build a library of quality children s literature Books representing other cultures are included to help celebrate diversity as well as cultural connection Genre chapters include poetry fantasy and realistic and historical fiction A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction *The Continuum Encyclopedia of Children's Literature* Bernice E. Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children s literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa **Good Books Matter** Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level *Using Children's Literature in Math and Science* ,1997

Reading Programs for Young Adults Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you

will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **The**
