Fennelly, Marianna Perry, 2014-08-19 School security is one of the most pressing public concerns today Yet in most schools there is little security expertise or detailed knowledge about how to implement and manage a security program The Handbook for School Safety and Security rectifies this problem by providing the salient information school administrators and security professionals need to address the most important security issues schools face Made up of contributions from leading experts in school security The Handbook for School Safety and Security provides a wealth of practical information for securing any K 12 school It discusses key approaches and best practices for school crime

prevention including such topics as crisis management and mass notification It also covers the physical measure needed for protecting a school including detailed discussions of access control lighting alarms and locks While there is no single fix for the myriad of security challenges facing today s school security professionals the best practices found in The Handbook for School Safety and Security will help increase the safety and security of any school Brings together the collective experience of industry leading subject matter specialists into one resource Covers all the key areas needed for developing and implementing a school security program Includes a list of 100 things to know when developing a school security program

Wholeness Christy Wimber,Katherine Welby-Roberts,2019-04-19 The world is changing culture is shifting Never has safety and security been more desired What shakes also spills Pressure spills to the surface And when struggles become visible safety becomes more invaluable We only encounter true freedom and wholeness when we know we can speak and hear truth with no fear of retribution Look at the ministry of Jesus He created spaces of safety He also never blamed people for how they got sick Jesus invitations are never based on whose struggles are more easily dealt with In His Kingdom in His house and under His care there is no us and them Jesus said over and over that He came for the sick the broken the oppressed depressed those caught in chains He came for us Each person as well as every part of who we are body soul and spirit matters to God And if it matters to God it must matter to us With the world changing so are people s struggles In years past what worked in prayer and ministry may not work today because people s concerns and experiences of personal difficulties have changed And just with anything else we should be growing in how we learn and deliver ministry God wants to bring people into wholeness And one of the greatest acts of kindness we can do is provide a safe place in order to witness people s struggles so that we may love care for and pray and minister to them more effectively
