Elizabeth Anne Bruce, Janet Williss, Faith Gibson

## **Safeguarding Children And Young People:**

Safeguarding Children and Young People Nick Frost, 2020-11-04 Safeguarding Children and Young People offers students and practitioners an accessible and multi disciplinary guide to working together with other professionals to deliver a child centred and co ordinated approach to safeguarding in line with the Working Together to Safeguard Children guidance Taking a whole systems approach and offering support on prevention assessment intervention systems and leadership the book reflects on recent challenges including contextual abuse child sexual exploitation and cyber abuse The book includes case studies activities and points for reflection to aid learning and test understanding Safeguarding Children and Schools Mary Baginsky, 2008-06-15 Safeguarding Children and Schools explains how schools are able to contribute to keeping children safe from harm and promoting their welfare in line with Government Every Child Matters guidelines At a time when expectations of the role of schools are evolving this book provides guidance and support for social care professionals

Good Practice in Safeguarding Children Hilary Owen, Liz Hughes, 2009-01-15 This book draws together contributors experiences of working with safeguarding children on a broad range of issues including neglect trafficked children parents with learning difficulties and child protection supervision The contributors discuss current dilemmas in safeguarding children work and provide models of good practice Safeguarding Children, Young People and Families Vida Douglas, Julie Fourie, 2021-10-13 Keeping children and young people safe is everybody s responsibility. This requires health social care and education professionals to make sense of complex family situations that are placing a child or young person at risk of harm This is no easy feat The actions we take matter and we need to get this right if we are to truly make things better and improve outcomes for children and young people Using case studies reflective questions and checklists for practice this hands on guide will provide you with the knowledge and skills you need to effectively and confidently make a difference to the lives of children and young people This series of books from Learning Matters is aimed at busy social work and health care practitioners particularly in the context of integrated health and social care who are looking to enhance their skills and extend their knowledge Written from a practical point of view they have clear links to both qualifying training as well as CPD They are up to date accessible and totally skills focused Safeguarding Children and Young People Stella Coleman, Corinne May-Chahal, 2013-06-17 What does the novice practitioner or the experienced practitioner moving into child care work from another sector need to know to practice effectively What skills do they need to call on In this valuable addition to The Social Work Skills Series Stella Coleman and Corinne May Chahal bring together their considerable teaching and practice experience to provide a reliable and practical guide to child protection work Topics covered include the legal and procedural context the professional context explanatory theoretical frameworks and models of practice managing risk evidence based practice social work interventions parents carers and families continuing professional development This is an Effective Safeguarding for essential text for all students teachers and professionals working with children and families

Children and Young People Maggie Blyth, Enver Solomon, 2012-02-08 The number of children entering the child protection system has risen dramatically in the last three years with implications for children's services and partner agencies This timely volume takes a critical look at the impact of the Munro Review 2011 on child protection and the Government's response It looks at questions including how effective Local Safeguarding Children Boards are in providing the necessary scruting to ensure children are safe how the early offer of help at local level might reduce the numbers of children at the critical end of the spectrum and whether reducing regulation from the centre will result in better outcomes for the most vulnerable Moreover it also considers those young people who traditionally bypass child protection services but remain at risk of harm These are critical questions for both policy and practice in understanding the reforms Munro states are required Contributions from leading experts working in the child protection system review current safeguarding policy and explore the future after Munro Safeguarding Children And Young People Powell, Catherine, 2007-08-01 While many nurses and midwives are in an ideal position to prevent identify and respond to child maltreatment they may not have a clear EBOOK: Safeguarding Children and Young understanding of the theory policy and practice of safeguarding children People Catherine Powell, 2007-08-16 This book should be available in every ward clinic and department This book is comprehensive and that rare thing in nursing literature scholarly and authoritative reading this book should arm nurses with the understanding to effectively do their duty and safeguard children Paediatric Nursing This text will be particularly useful as a source of reference for all practitioners It is logical organised comprehensive and accessible If students wish to purchase one book this would be a sound choice Jan Nelmes University of Brighton UK I consider this a valuable book for all practitioners While the author makes clear her intended audience I think that a book of this quality would benefit a broader readership Community Practitioner Magazine Safeguarding Children and Young People a Guide for Nurses and Midwives is an excellent book which I would have no hesitation in recommending to nursing and midwifery colleagues It is both thought provoking and informative providing what I consider to be a useful reference which can be utilised to help staff understand more clearly and thus respond more confidently to some of the challenging issues which can arise as a result of safeguarding work Johann Knox IC Electronic Bulletin While many nurses and midwives are in an ideal position to prevent identify and respond to child maltreatment they may not currently have a clear understanding of the theory policy and practice of safeguarding children This book which has been written specifically for a nursing and midwifery audience provides an accessible text that outlines and explores professional roles and responsibilities in the context of inter agency working Importantly it has chapters on Child neglect Fabricated or induced illness Child death and child maltreatment Safeguarding vulnerable children This groundbreaking book provides a much needed education research practice and evidence based evaluation The book also Includes case examples and points for reflection Provides an analysis of children's rights and child protection Enables readers to understand and apply theory and policy to practice Outlines the roles and responsibilities of

other agencies Helps readers develop skills to deal with sensitive and traumatic issues Addresses the importance of confidentiality and information sharing Safeguarding Children and Young People is core reading for all nursing and midwifery students and practitioners.
