

HIKING SAFETY

If lost or forced to stop because of bad weather, stay together and remain in one place. Find the closest shelter from wind and rain.

If anyone gets injured, assess the situation, then send two people for help and let the third remain with the injured person.

If lost, don't split up. Rather try to retrace your steps.

Familiarise yourself with the park's hiking map and warnings. Stick to well-used paths, never take shortcuts and don't wander into ravines.

Carry a fully-charged mobile phone to use in case of an emergency.
