Since they emerged 14 billion years ago from a bus blaring a tune remarkably similar to the Mister Softee jingle they've wreaked mischief and havoc on mankind. Unable to control their jealousies, the gods have splintered into several factions led by the immortal enemies XOXO, Shanice La Felina, Fast Cooking Ali, and Mogul Magoo. Ike Karton, an unemployed butcher from New Jersey, is their current obsession. Ritualistically recited by a cast of drug-addled bards, *The Sugar Frosted Nutsack* is Ike's epic story, a raucous tale of gods and men confronting lust, ambition, death, and the eternal verities. It is a wildly fun, wickedly fast gambol through the unmapped corridors of the imagination. **Sugar Impact** Tessa Kwan, AI, 2025-03-15

Sugar Impact explores the pervasive and often hidden dangers of sugar consumption in our modern diets. It reveals how excessive sugar intake can contribute to a range of health issues, including insulin resistance, inflammation, and even cardiovascular problems. The book delves into the biochemical pathways through which sugar impacts our bodies and examines the psychological factors that drive sugar cravings, offering insights into why sugar can be so addictive. This book uniquely provides a practical, step-by-step guide to reducing sugar intake without sacrificing enjoyment. It offers strategies for identifying hidden sugars in processed foods and planning balanced meals. **Sugar Impact** culminates in a comprehensive dietary plan designed to promote long-term health and well-being by managing sugar cravings and adopting sustainable, healthy eating habits. The approach begins with fundamental concepts of carbohydrate metabolism and progresses to specific health risks before offering a detailed dietary plan. By empowering readers with knowledge and actionable strategies, **Sugar Impact** aims to help individuals reclaim control over their health and make informed dietary choices. *Great Basin Kingdom* Leonard J. Arrington, 2005

Leonard Arrington, who died in 1999, is considered by most, if not all, serious scholars of Mormon and western history as the single most important figure to write on LDS history. *Great Basin Kingdom* is perhaps his greatest work. A classic in Mormon studies and western history, *Great Basin Kingdom* offers insights into the underdeveloped American economy, a comprehensive treatment of one of the few native American religious movements, and detailed, exciting stories from little-known phases of Mormon and American history. This edition includes thirty new photographs and an introduction by Ronald W. Walker that provides a brief biography of Arrington as well as the history of the work, its place in Mormon and western historiography, and its lasting impact. **Religion, Politics, and Sugar** Matthew Godfrey, 2007-03-30

Mary Lois Walker Morris was a Mormon woman who challenged both American ideas about marriage and the U.S. legal system. *Before the Manifesto* provides a glimpse into her world as the polygamous wife of a prominent Salt Lake City businessman during a time of great transition in Utah. This account of her life as a convert, milliner, active community member, mother, and wife begins in England, where her family joined the Mormon church, details her journey across the plains, and describes life in Utah in the 1880s. Her experiences were unusual; as following her first husband's deathbed request, she married his brother as a plural wife in the Old Testament tradition of levirate marriage. Mary Morris's memoir frames her 1879 to 1887 diary with both reflections on earlier years and passages that parallel entries in the day book, giving readers a

better understanding of how she retrospectively saw her life The thoroughly annotated diary offers the daily experience of a woman who kept a largely self sufficient household had a wide social network ran her own business wrote poetry and was intellectually curious The years of the Raid federal prosecution of polygamists led Mary and Elias Morris to hide their marriage on the underground and her to perjury during Elias s trial for unlawful cohabitation The book ends with Mary Lois s arrival at the Salt Lake Depot after three years in exile in Mexico with a polygamist colony **Beet Sugar Gazette** ,1907
