fires into a roaring inferno that destroyed everything in its path consuming roughly thirty eight acres of densely packed wooden structures in a single afternoon Some 5000 people lost their homes and all their possessions and were marched in shock to detention camps where they were confined under armed guard for weeks Next to the attack on Pearl Harbor in 1941 the Chinatown fire is the worst civic disaster in Hawaiian history A dramatic account of people struggling in the face of mounting catastrophe Plague and Fire is a stimulating and thought provoking read
