## **Sage Ninomiya's Evening Talks:**

**Sage Ninomiya's evening talks**, tr Sontoku Ninomiya, **Sage Ninomiya's Evening Talks** Kinjaro Ninomiya Sontoku,1937 **Sage Ninomiya's evening talks** S. Ninomiya,1937 **Sage Ninomiya's Evening Talks** Sontoku Ninomiya,1937 **Beyond Our Means** Sheldon Garon,2012 Garon's insightful and provocative new book couldn't be more important and couldn't be more timely The prosperity of Americans and America now depends on creating a nation of savers and investors and Garon shows us the way by bringing the experience and lessons of nations worldwide right into our hands Ray Boshara senior fellow New America Foundation **Ninomiya Sontoku** Tadaatsu Ishiguro,1987 As the Japanese See It Michiko Y. Aoki,Margaret B. Dardess,2021-05-25 Text adopted at University of Kansas University of Missouri Columbia

**A History of Economic Science in Japan** Aiko Ikeo,2014-04-03 Japanese economists began publishing scientific papers in renowned journals including *Econometrica* in the 1950s and had made their significant contributions to the sophistication of general equilibrium analysis by intensive use of a variety of mathematical instruments They had contributed significantly to the transformation of neoclassical economics This book examines how it became possible for Japanese economists to do so by shedding light on the professional discussion of the international gold standard and parity policies in the early twentieth century the acceptance of mathematical economics in the following period the impact of establishment of the Econometric Society 1930 and the swift distribution of theory oriented economics journals since 1930 This book also includes topics on the historical research of the Japanese foundations of modern economics the transformation of the economics of Keynes into Keynesian economics Japanese developments in econometrics and Martin Bronfenbrenner's visit to Japan in the post WWII period This book provides insight into the economic research done by Japanese scholars in the international context It traces how during the period 1900-1960 economics was harmonized with economics and a standard economics was re-shaped on the basis of mathematics thanks to economists' appetite for rigor and will help to contribute to existing literature

**Molding Japanese Minds** Sheldon Garon,2021-05-11 How has the Japanese government persuaded its citizens to save substantial portions of their incomes And to care for the elderly within the family How did the public come to support legalized prostitution as in the national interest What roles have women's groups played in Japan's economic miracle What actually unites the Japanese to achieve so many economic and social goals that have eluded other polities Here Sheldon Garon helps us to understand this mobilizing spirit as he taps into the intimate relationships everyday Japanese have with their government To an extent inconceivable to most Westerners state directives trickle into homes religious groups and even into individuals' sex lives where they are frequently welcomed by the Japanese and reinforced by their neighbors In a series of five compelling case studies Garon demonstrates how average citizens have cooperated with government officials in the areas of welfare prostitution and household savings and in controlling religious cults and promoting the political participation of women The state's success in creating a nation of activists began before World War II and has hinged on campaigns that

mobilize the people behind various policies and encourage their involvement at the local level For example neighborhoods have been socially managed on a volunteer basis by small business owners and housewives who strive to rid their locales of indolence and to contain welfare costs The story behind the state regulation of prostitution is a more turbulent one in which many lauded the flourishing brothels for preserving Japanese tradition and strengthening the family system while others condemned the sexual enslavement of young women In each case we see Japanese citizens working closely with the state to recreate community and shape the thought and behavior of fellow citizens The policies often originate at the top but in the hands of activists they take on added vigor This phenomenon which challenges the conventional dichotomy of the state versus the people is well worth exploring as Western governments consider how best to manage their own changing societies

**As the Gods Will The Second Series** Muneyuki Kaneshiro,Akeji Fujimura,2015-11-03 Bessatsu Shounen Magazine s hugely popular story of survival and suspense moves to Weekly Shounen Magazine as a completely brand new series With the appearance of a strange daruma doll ordinary life crumbles away in an instant Even so live on Survive This is the story of the life bestowed upon all those who have wished to die Are you beef or chicken Live that s the only rule A Peasant Sage of Japan Kōkei Tomita,1912 *A Collector's Guide to Books on Japan in English* Jozef Rogala,2012-10-12 For librarians and private collectors of books on Japan in English Jozef Rogala s alphabetical guide will prove an invaluable and very accessible addition to existing bibliographic sources and references not least because of the supporting biographies of major writers and the historical and cultural notes provided Includes subject index **Developing Business Ethics in China** X. Lu,G. Enderle,2006-04-11 Twenty seven international scholars and business leaders analyse the challenges facing business ethics in China the role of different ethical traditions the creation of ethical corporate cultures corruption and the lack of confidence consumption patterns and income distribution globalization WTO and information technology to name a few **A Classified List of Books in Western Languages Relating to Japan** Kokusai Bunka Shinkōkai.
