Sahajanand On Agricultural Labour And The Rural Poor:

Sahajanand on Agricultural Labour and the Rural Poor Swami Sahajānanda Sarasvatī, 1994 **Bhimrao Ramji Ambedkar and the Question of Socialism in India** V. Geetha, 2021-12-03 This book offers a reading of Bhimrao Ambedkar's engagement with the idea and practice of socialism in India by linking it to his lifelong political and philosophical concerns the annihilation of the caste system untouchability and the moral and philosophical systems that justify either Rather than view his ideas through a socialist lens the author suggests that it is important to measure the validity of socialist thought and practice in the Indian context through his critique of the social totality The book argues its case by presenting a broad and connected overview of his thought world and the global and local influences that shaped it The themes that are taken up for discussion include his understanding of the colonial rule and the colonial state history and progress nationalism and the questions he posed the socialists his radical critique of the caste system and Brahmanical philosophies and his unusual interpretation of Buddhism The Postcolonial Moment in South and Southeast Asia Gyan Prakash, Nikhil Menon, Michael Laffan, 2018-02-22 By exploring themes of fragility mobility and turmoil anxieties and agency and pedagogy this book shows how colonialism shaped postcolonial projects in South and Southeast Asia including India Pakistan Burma and Indonesia Its chapters unearth the contingency and contention that accompanied the establishment of nation states and their claim to be decolonized heirs The book places key postcolonial moments a struggle for citizenship anxious constitution making mass education and land reform against the aftermath of the Second World War and within a global framework relating them to the global transformation in political geography from empire to nation The chapters analyse how futures and ideals envisioned by anticolonial activists were made reality whilst others were discarded Drawing on the expertise of eminent contributors The Postcolonial Moment in South and Southeast Asia represents the most ground breaking research on the region India's Silent Revolution Christophe Jaffrelot, 2003 Jaffrelot argues that the trend towards lower caste representation in national politics constitutes a genuine democratization of India and that the social and economic effects of this silent revolution are bound to multiply in the years to come Hungry Nation Benjamin Robert Siegel, 2018-04-26 This ambitious and engaging new account of independent India's struggle to overcome famine and malnutrition in the twentieth century traces Indian nation building through the voices of politicians planners and citizens Siegel explains the historical origins of contemporary India's hunger and malnutrition epidemic showing how food and sustenance moved to the center of nationalist thought in the final years of colonial rule Independent India's politicians made promises of sustenance and then qualified them by asking citizens to share the burden of feeding a new and hungry state Foregrounding debates over land markets and new technologies Hungry Nation interrogates how citizens and politicians contested the meanings of nation building and citizenship through food and how these contestations receded in the wake of the Green Revolution Drawing upon meticulous archival research this is the story of how Indians challenged meanings of welfare and citizenship across

class caste region and gender in a new nation state **An Agrarian History of South Asia** David Ludden,2011-02-17
 Originally published in 1999 David Ludden s book offers a comprehensive historical framework for understanding the regional diversity of agrarian South Asia Adopting a long term view of history it treats South Asia not as a single civilization territory but rather as a patchwork of agrarian regions each with their own social cultural and political histories The discussion begins during the first millennium when farming communities displaced pastoral and tribal groups and goes on to consider the development of territoriality from the sixteenth to the nineteenth centuries Subsequent chapters consider the emergence of agrarian capitalism in village societies under the British and demonstrate how economic development in contemporary South Asia continues to reflect the influence of agrarian localism As a comparative synthesis of the literature on agrarian regimes in South Asia the book promises to be a valuable resource for students of agrarian and regional history as well as of comparative world history Government and Politics in Colonial Bihar, 1921-1937 Jawaid Alam,2004-01-01
 This Study Provides A Fairly Good Analysis Of Politics In Bihar During 1921 1937 The Nature Of The Congress Movement And The Articulation Of Communal Politics And The Incidence Of Communal Riots Are Critically Examined **Slavery in Arunachal Pradesh** Amrendra Kumar Thakur,2003 This Book Should Prove To Be Of Interest To Students And Researchers Of The Social And Economic History Of The Tribal Societies Especially Of Arunachal Pradesh *Capitalism, Inequality and Labour in India* Jan Breman,2019-08-15 Jan Breman analyses labour bondage in India s changing political economy from 1962 to 2017 Focusing on what has happened since Independence he argues that colonial rule changed the country s agrarian economy Capitalism has led to progressive inequality lack of welfare and the exclusion of the dispossessed from mainstream society **Caste, Society and Politics in India from the Eighteenth Century to the Modern Age** Susan Bayly,2001-02-22 The phenomenon of caste has probably aroused more controversy than any other aspect of Indian life and thought Susan Bayly s cogent and sophisticated analysis explores the emergence of the ideas experiences and practices which gave rise to the so called caste society from the pre colonial period to the end of the twentieth century Using an historical and anthropological approach she frames her analysis within the context of India s dynamic economic and social order interpreting caste not as an essence of Indian culture and civilization but rather as a contingent and variable response to the changes that occurred in the subcontinent s political landscape through the colonial conquest The idea of caste in relation to Western and Indian orientalist thought is also explored *The Bihar Provincial Kisan Sabha, 1929-1942* Walter Hauser,2019-02-22 On December 5th 1920 in Patna the Dasnami sannyasi Sahajanand Saraswati encountered Mahatma Gandhi for the first time Sahajanand was already known in social reform circles in Bihar as an energetic activist and educator working to promote Bhumihar Brahman identity Inspired by the Mahatma s radical reformulation of Indian nationalism the Swami as Sahajanand would soon come to be known threw himself into nationalist politics and the Indian National Congress Within a decade moved by the plight of tenant farmers struggling against excessive rent demands and abusive landlord

exactions the Swami had spearheaded the formation of the Bihar Provincial Kisan Sabha This organization quickly became the largest organization of its kind in India catapulting the Swami onto the national stage By the early mid 1930s the Swami had publicly broken with both the Mahatma and the Gandhians and had made common cause with the left wing of the Congress Later as the storm clouds of World War II gathered on the horizon he joined forces with the Forward Bloc and the Communist Party of India By the time of his death in 1950 the Swami disillusioned with politics had dissociated himself from all parties This pioneering 1961 study by Walter Hauser tracks the history of the Bihar peasant movement as it both influenced and was buffeted by national and international politics Hauser offers here a penetrating analysis of the character of the movement and the mind of its leader as he grappled with and gravitated toward Marxism Leninism in the 1930s and 1940s Initially written as a Ph D dissertation at the University of Chicago Hauser s path breaking Bihar Provincial Kisan Sabha 1929 1942 is now being published in its entirety for the first time The volume includes a Foreword by one of Hauser s many students William R Pinch Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka Community Warriors Ashwani Kumar,2008 A thorough and cogent analysis of society politics and violence in the Indian state of Bihar **Routledge Handbook of South Asian Politics** Paul R.
