The Hagiographer and the Avatar Antonio Rigopoulos, 2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru's hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru's hermitage more or less continuously from 1954 up until Kasturi's death in 1987 Despite Kasturi's influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi's relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer's work was not subordinate to the guru's definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon Furthermore Kasturi's ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself this book deepens our understanding of this important pan Indian figure and his charismatic religious movement The Spiritual Tourist Mick Brown, 2010-11-15 This is a narrative recounting a

spiritual voyage taking the author around the world in a quest for the divine A trail of chance synchronicity divine providence and the occasional railway and airline schedule leads Brown from the extraordinary figure of the 19th century occult adventuress Madame Blavatsky via the philosopher Krishnamurti to the genial Scottish clairvoyant who claims that the Christ of the age is alive and well and living in London In India he encounters the miracle working Sai Baba and discusses reincarnation with the world's most revered spiritual figure the Dalai Lama In Germany he joins the pilgrims who kneel at the feet of the young Indian Woman Mother Meera believing she is divine In a tiny backwoods church in Tennessee he examines the Crosses of Light which are held as evidence of Christ's imminent return to Earth Mick Brown is the author of Richard Branson The Inside Story and American Heartbeat Travels from Woodstock to San Jose by Song Title Divinity and Diversity Alexandra Kent, 2007 This book looks closely at the Malaysian following of the contemporary Indian godman Sathya Sai Baba a neo Hindu guru famed for his miracle working The 911 attacks on the United States and subsequent war on terrorism have brought a discussion of transnational religious networks onto centre stage While the Sai Baba movement has no militaristic ideology it may like any other such movement ultimately call into question the sovereignty of the nation

M. Rickard,2000 The Rough Guide to Unexplained Phenomena is an exploration of the zone that lies between the known and the unknown a shadowy territory that s home to lake monsters combusting people teleporting frogs and man eating trees Taking a Fortean path between dogmatic scientists and credulous believers the authors trace tales of wonder back to their sources drawing from a huge archive of observations opinions and discussions As the third millennium begins many things are not yet known or understood about our world as this Rough Guide shows there are still many riddles to solve and wonders to experience *Parapsychology* Caroline Watt,2017-07-05 Many people believe that they have experienced paranormal phenomena and others claim to possess psychic abilities For the past hundred years or so researchers have undertaken systematic and scientific work into these alleged experiences and abilities This collection of articles provides readers with a general sense of the methods used in this research the findings that have been obtained and the controversies generated by this work They cover a wide range of issues including the psychology of paranormal belief investigations into ghosts and hauntings laboratory research into extra sensory perception and psychokinesis and controlled tests of psychics and mediums An introductory essay sets each of the selected papers in context and provides additional references for those wishing to delve deeper into the issues surrounding each of the areas covered
