*The Joint Chiefs of Staff and the War in Vietnam, 1960-1968:*

*1960-1968 (pt. 2)* Graham A. Cosmas, 2009 Pt 1 This volume describes those JCS activities related to developments in Vietnam during the period 1960 1963 when the United States expanded its initial military commitment to Southeast Asia In 1960 the United States increased its military advisory strength in South Vietnam in response to increased Communist infiltration and to more sustained guerrilla attacks in the south and its contingency planning effort to deploy regular US forces to both Laos and South Vietnam to counter any threat by Communist Army units from the north or from China President Kennedy s called for a new emphasis upon guerrilla warfare at first received only lukewarm support from the Joint Chiefs of Staff After the failed Bay of Pigs episode very early in the Kennedy administration the President lost faith in the advice of the Joint Chiefs of Staff and appointed General Maxwell Taylor to serve as his intermediary with the Joint Chiefs until he assumed the Chairman responsibilities in October 1962 The Kennedy administration s policy was marked by clashes between factions in the Defense Department including the Joint Chiefs of Staff the State Department and the White House By 1963 these differences involved the support the US should provide for the Republic of Vietnam under its President Ngo Dinh Diem The history ends with the killing of Diem by a coup followed by the coincidental murder of President Kennedy a short time later

**LIMA-3** Frank McCarthy, 2022-01-18 In 1966 career Marine Lieutenant Frank McCarthy received the assignment of a lifetime when he was assigned as a platoon

commander in an infantry battalion preparing for deployment to Vietnam Following several months of training his men whom he would soon come to believe were some of the finest Marines ever to wear the uniform boarded a ship in San Diego and set sail for Southeast Asia not knowing how many of them would ever see their beloved country again Following a harrowing sea voyage that nearly ended their tour before it began they finally arrived in Vietnam Though a cherry unit with no combat experience within three short months that all changed Eighty two of those first ninety nights were spent in mud filled foxholes or ambush positions covered with leeches shivering through the limitless and cold monsoon rains and incessant enemy mortar fire Days of endless patrols in an area laced with thousands of mines and booby traps as well as the ever present but often unseen enemy As difficult as those first three months were McCarthy says it was a picnic compared to what would follow Recounting his first fourteen months in Vietnam in gripping detail in this book McCarthy draws on his own memory as well as official records to provide an unflinching firsthand account of what it was like to serve and lead as a Marine during the Vietnam War

**River Warfare in Vietnam** Robin L. Rielly, 2024-02-08 America s entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam s rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on new types of river craft that

could traverse the myriad waterways in Vietnam The focal point of this study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject     *Vietnam-shipping Policy Review* United States.
