Sir Henry Felix Woods

Sailors On The Inward Sea:

Sailors on the Inward Sea Lawrence Thornton, 2013-09-17 In a triumphant fusion of fiction and history award winning author Lawrence Thornton re creates a terrible tragedy at sea and takes the reader on an unforgettable voyage through the human heart Thornton brilliantly reveals how the repercussions of small and large actions can haunt even the deepest of friendships for generations Sailors on the Inward Sea recounts the desperate time when the stately British minesweeper Brigadier blinded by thick fog in the North Sea crashes into a German submarine in a horrifying accident When an altercation between the enemies ensues and the Brigadier's prodigy a talented young ensign is fatally shot the captain Fox Bourne orders a retreat deliberately leaving dozens of German sailors to die in the frigid waters Although Captain Fox Bourne's murderous judgment is called into question in a military court when he is found innocent a passionate witness to the incident decides to take matters into his own hands This witness none other than the great novelist Joseph Conrad a former sailor himself and a guest observer on the Brigadier writes an account of the conflict in order to give the captain a chance to confess redeem himself and purge his conscience But Conrad has other secret motivations as his trusted confidant Captain Jack Malone knows only too well And it is ultimately Malone our sage but enigmatic narrator whose journey we follow as he confronts the timeless challenges of being a friend confidant lover sailor and muse As he sweeps across the oceans from England to Africa and finally to the sensuous world of Indonesia Malone seeks to uncover the true boundaries between friendship and betrayal loyalty and love legacy and life Malone Conrad and Thornton form a brilliant trinity of wisdom imagination and adventure Together they carry a torch that threatens to singe just as it promises to reveal the path to which the inward sea ultimately leads A Victorian Sailor's Grave in the Seto Inland Sea Graham Thomas, 2018-09-12 In 1868 Frank Toovey Lake a young British Midshipman died while serving with the Royal Navy and was interred on the island of Hiroshima in the Seto Inland Sea of Japan Up until recently Lake s grave on Hiroshima had been identified only by his family name Lake and he was described as an English officer who died while serving on the Royal Navy survey ship HMS Sylvia However no further information on Lake could be found until new research showed that in one important detail these facts were wrong namely that the ship had been incorrectly identified as HMS Sylvia when in fact he died on HMS Manilla From knowing this it has now been possible to give the young officer his full name Frank Toovey Lake and to build an understanding of his life Since the burial the islanders have both maintained and improved the grave until the present day This led to admiration among the late 19th century British community in Japan including prominent members such as Sir Ernest Satow and Thomas Glover and a flurry of newspaper articles appeared around the world in 1899 recounting the story and praising the conscientiousness of the local people Since then the grave s story has made only sporadic appearances in the media but continues to be celebrated locally This grave is far from unique the graves of many foreigners can be found in Japan most within the foreign cemeteries in cities such as Tokyo Yokohama Kobe and Nagasaki

and to whose numbers we can add those of souls buried at sea within Japan's waters But there are at least two good reasons to celebrate its continued existence First in the mid 19th century as Japan became more accessible to the outside world this created at least initially mutual distrust between foreigners and Japanese these newcomers were viewed as barbarians and intruders albeit at times justifiably and this was a period when some were slain and their vessels fired upon So without suggesting that widespread conflict existed because it didn't nonetheless it is notable that during this period a group of villagers decided to care for and not destroy the grave and that today this grave is as well tended as ever Second at one time Lake s death was commemorated on a monument in the churchyard of the village where he was born A few years ago that monument along with other Toovey graves was swept away the graveyard cleared for ease of maintenance and all trace of Frank Toovey Lake has now gone This story also touches on other aspects of Japan and Britain's 19th century history not least the display of typical contradictory characteristics of Pax Britannica in the Inland Sea the rapid deployment of the Royal Navy into Japan's territorial waters yet undertaking surveying and other benign operations the threat and occasional use of gunboat diplomacy and at times an arrogance towards the country yet countered by great affection for the place and its people by some or many individuals The story also involves personalities such as Richard Henry Brunton T B Glover and the British diplomat Ernest Satow who took important roles in helping Japan develop In short the story of Lake and his grave is more than the story of an individual and a granite monument The Rule of the Road at Sea and in Inland Waters United States. Bureau of Naval Personnel, 1869 Dues and Charges on Shipping in Foreign Ports ,1908 Dues and **Charges on Shipping in Foreign Ports ...** G. D. Urguhart, 1875 Dues and charges on shipping in foreign ports G The New Seaman's Guide and Coaster's Companion: containing ... complete sailing directions for ships, D. Sailors On The Inward Sea: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Sailors On The Inward Sea: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
