

Saint Jeanne Antide Thouret

Francis Trochu

Saint Jeanne Antide Thouret:

Saint Jeanne-Antide Thouret, foundress of the Sisters of Charity (1765-1826); translated from the French by Sr. Mary Alfreda Scurti, S.D.C. Francis G. Trochu, 1941 **Saint Jeanne Antide Thouret** A. F. Wedd, 1953 Saint Jeanne Antide Thouret, 1765-1826, 1953 *Saint Jeanne Antide Thouret* André Ravier, 1952* **Sisters of Charity of Saint Jeanne Antide Thouret**, 1952 *Saint Jeanne Antide Thouret: Foundress of the Sisters of Charity Under the Protection of St. Vincent de Paul (1765-1826)* Francis Trochu, 1966 *Saint Jeanne Antide Thouret* Francis Trochu, 1966 *Saint Jeanne Antide Thouret* Théodule Rey-Mermet, 2001* Saint Jeanne Antide Thouret: foundress of the Sisters of Charity under the protection of St. Vincent de Paul (1765-1862); translated [from the French] and adapted by John Joyce Francis TROCHU, John Joyce, 1966 **In the Footsteps of Saint Jeanne-Antide Thouret** Soeurs de la Charité de Besançon (1821-199.), 1998

A short life of ... Jeanne Antide Thouret, adapted from the Italian Blanche Anderdon, 1903 *A Short Life of the Venerable Mother Jeanne Antide Thouret, Foundress of the Sisters of Charity. Adapted, with Additions, from the Italian [i.e. "Brevi Notizie Della Vita Della Madre Giovanna Antida Thouret, Fondatrice Dell' Istituto Delle Suore Della Carità. Per G.B.B."], by Blanche Anderdon, Etc. [With a Portrait.].* Blanche ANDERDON, G. B. B., 1903 **The Rule of Life [of The] Sisters of Charity of St. Jeanne Antide Thouret** Sisters of Charity of St. Joan Antida, 1981 *Women and Religion in the Atlantic Age, 1550-1900* Emily Clark, 2016-02-11

Bringing the study of early modern Christianity into dialogue with Atlantic history this collection provides a longue durée investigation of women and religion within a transatlantic context Taking as its starting point the work of Natalie Zemon Davis on the effects of confessional difference among women in the age of religious reformations the volume expands the focus to broader temporal and geographic boundaries The result is a series of essays examining the effects of religious reform and revival among women in the wider Atlantic world of Europe the Americas and West Africa from 1550 to 1850 Taken collectively the essays in this volume chart the extended impact of confessional divergence on women over time and space and uncover a web of transatlantic religious interaction that significantly enriches our understanding of the unfolding of the Atlantic World Divided into three sections the volume begins with an exploration of Old World Reforms looking afresh at the impact of confessional change in the sixteenth and seventeenth centuries upon the lives of European women Part two takes this forward tracing the adaptation of European religious forms within Africa and the Americas The third and final section explores the multifarious faces of the revival that inspired the nineteenth century missionary movement on both sides of the Atlantic Collectively the essays underline the extent to which the development of the Atlantic World created a space within which an unprecedented series of juxtapositions collisions and collusions among religious traditions and practitioners took place These demonstrate how the religious history of Europe the Americas and Africa became intertwined earlier and more deeply than much scholarship suggests and highlight the dynamic nature of transatlantic cross fertilization and influence **Butler's Lives of the Saints: August** Alban Butler, Paul Burns, 1998-01-01

For more than two centuries Butler's has been one of the best known most widely consulted hagiographies. In its brief and authoritative entries readers can find a wealth of knowledge on the lives and deeds of the saints as well as their ecclesiastical and historical importance since canonization. The Vincentians: A General History of the Congregation of the Mission John E. Rybolt, The French Revolution nearly destroyed the Vincentians in France and those in most other countries were isolated persecuted in every degree from niggling regulations to imprisonment and martyrdom and sometimes squeezed into oblivion. To these external miseries were added painful internal schisms the Italians abetted by other countries and the Holy See pushed to center the Congregation in Rome interdicts against communication with foreign superiors forced provinces in many countries to act autonomously national pressures to swear loyalty and conform to compromising regulations created splits within the community and threatened to divide the Daughters and separate them from their brothers. Reduced membership and funding crippled the Vincentians efforts as they emerged from the worst of the state obstructions. Nevertheless they began rebuilding and even made struggling beginnings in overseas missions notably the United States Brazil the Ottoman Empire the Middle East and China where the martyrdom of two missionaries galvanized interest in this distant and challenging mission. *The Vincentians: A General History of the Congregation of the Mission* Luigi Mezzadri CM, Francesca Onnis, 2012-12-14 This second volume begins with the dawn of the eighteenth century and relates how the Congregation of the Mission founded by St Vincent de Paul worked to remain faithful to his vision while adapting itself to the demands of ecclesiastical and political life in France Italy Poland Spain and Portugal overseas missions in North Africa and the Mascarenes as well as the missions taken up after the suppression of the Jesuits in the Middle East and China. Among other problems the Missioners found themselves in the middle of fights over Jansenism but tempered by the success of the canonization of Saint Vincent de Paul. This is an important down to earth side of history not often told. Sainte Jeanne-Antide Thouret Francis Trochu, 1934 **The Voices of the Saints** Bert Ghezzi, 2002-09-24 The inspiring stories of 365 holy men and women from the best known to some of the most obscure come to life in an engaging collection of biographical profiles quotations from the saints themselves meditations and prayers. *Voices of the Saints* opens with an instruction from Saint Philip Neri. The best preparation for prayer is to read the lives of the saints not from mere curiosity but quietly and with recollection a little at a time. And to pause whenever you feel your heart touched with devotion. With these words of faith and wisdom as his guiding principle Bert Ghezzi presents the lives of such familiar and beloved saints as Saint Peter and Saint Catherine of Siena Saint Jerome and Saint Thérèse of Lisieux of humble little known figures like Felix of Nola Pelagia the Penitent and Leonard of Port Maurice and of sainted men and women associated with a particular place including Margaret of Scotland Rose of Lima Elizabeth Ann Seton and Junípero Serra. In lively profiles written for contemporary readers Ghezzi chronicles their journeys of faith and their contributions to the vitality of the Church. The voices of the saints resound throughout the book in quotations drawn from their own writings the works of biographers and the recollections of

witnesses Readers can use Voices of the Saints in several different ways Organized alphabetically it serves as a helpful easy to use dictionary It also features a day by day numbering system ideal for daily readings notations at the end of each entry enabling the exploration of the lives in historical order an index that highlights particular themes including the intriguing Porcupine Saints and a calendar of saints days A fascinating look at disparate and unusual lives each one a rich source of illumination inspiration encouragement and motivation along with prayers and meditations Voices of the Saints is a valuable companion for members of Catholic Episcopal and other traditional churches and an enlightening introduction to the saints for general readers

Women of the Church Bronwen McShea, 2024-04-06 While many Catholics are aware of great female saints such as Catherine of Siena and Thérèse of Lisieux a view persists that over the centuries women played a limited role in the development of Catholic traditions and institutions In this innovative survey of Church history Bronwen McShea demonstrates instead that faithful women have always been at the heart of the Church's common life shaping it and the course of entire civilizations In Women of the Church McShea presents a wide array of well known and lesser known canonized and beatified women others awaiting beatification and still more figures not meriting canonization but whom every Catholic should know She situates Catholic women from diverse social ethnic and national origins in their historical contexts examining specific challenges they faced in settings such as imperial Rome Reformation Europe colonial Latin America and Africa and the USA and Soviet Union during the Cold War In the process she shows that in every age women inspired by God with creativity courage and fidelity have helped save the Church from corruption disunity and destruction In short McShea clarifies that the history of Catholic women is the history of the Church as much as the history of Catholic men is
