Reavis,2016-09-22 Excerpt from Saint Louis The Future Great City of the World I also remember that I am in the city of St Louis destined ere long to be the greatest city on the continent renewed cheers the greatest central point between the East and the West at once destined to be the entrepot and depot of all the internal commerce of the greatest and most prosperous country the world has ever seen connected soon With India by the Pacific and receiving the goods of China and Japan draining with its immense rivers centering here the great Northwest and Opening into the Gulf through the great river of this nation the Father of Waters the Mississippi Whenever and that time is not far distant the internal commerce shall exceed our foreign commerce then shall St Louis take the very first rank among the cities of the nation And that time my friends is much sooner than any one of us at the present time actually realizes Suppose that it had been told to you any one of you here present of middle age within twenty years past that within that time such a city should grow up here with such a population as covers the teeming prairies of Illinois and Indiana between this and the Ohio who would have realized the prediction And so the next quarter of a century shall see a larger population west of the Mississippi than the last quarter of a century saw east of the Mississippi and the city of St Louis from its central location and through the vigor the energy the industry and the enterprise Of its inhabitants shall become the very first city of the United States of America now and hereafter destined to be the great republican nation of the world extract from a speech delivered in St Louis October 13 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **St. Louis and Empire** Henry W Berger,2015-04-23 At first glance St Louis Missouri or any American city for that matter seems to have little to do with foreign relations a field ostensibly conducted on a nation state level However St Louis despite its status as an inland river city frequently relegated to the backwaters of national significance has stood at the crossroads of international matters for much of its history From its eighteenth century French fur trade origins to post Cold War business dealings with Latin America and Asia the city has never neglected nor been ignored by the world outside its borders In this pioneering study Henry W Berger analyzes St Louis s imperial engagement

from its founding in 1764 to the present day revealing the intersection of local political cultural and economic interests in foreign affairs Berger uses a biographical approach to explore the individuals and institutions that played a leading role in St Louis s expansionist reach He shows how St Louis business leaders entrepreneurs politicians and investors often driven by personal and ideological motives as well as the potential betterment of the city and its people looked to the west southwest Latin America Europe Asia and the Pacific to form economic or political partnerships Among the people and companies Berger profiles are Thomas Hart Benton who envisioned a western democratic capitalist empire hosted by St Louis cotton exporters James Paramore and William Senter who were involved in empire building in the southwest and Mexico St Louis oil tycoon and railroad investor Henry Clay Pierce who became deeply involved in political intrigue and intervention in Mexican affairs entrepreneur and politician David R Francis who promoted personal and St Louis interests in Russia and McDonnell Douglas and its founder James S McDonnell Jr who were part of the transformation of St Louis s political economy during the Cold War Many of these attempted imperial activities failed but even when they succeeded Berger explains the economy and the people of St Louis did not usually benefit The vision of a democratic capitalist empire embraced by its exponents proved to be both an illusion and a contradiction By shifting the focus of foreign relations history from the traditional confines of nation state conduct to city and regional behavior this innovative study highlights the domestic foundations and content of foreign policy opening new avenues for study in the field of foreign relations

Saint Louis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Saint Louis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Saint Louis has opened up a world of possibilities. Downloading Saint Louis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Saint Louis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Saint Louis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Saint Louis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Saint Louis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Saint Louis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
