Saint Mungo's city, by Sarah Tytler Henrietta Keddie,1884      *The Beloved St. Mungo, Founder of Glasgow* Reginald B. Hale,1989 This book is published in English St Mungo the founder of Scotland s largest city was born around 525 AD This makes him a contemporary of the legendary King Arthur of Britain and situates him firmly in the sixth century the so called lost century when in the breakdown of the Roman Empire records were no longer kept and even the method of dating years was lost Nothing was written about Mungo until the twelfth century but his story was passed down by his people in the oral tradition It is this story that Reginald Hale set out to trace by visiting the places that tradition associates with Mungo s life The scholarship and enthusiasm he brought to this task have helped to produce a book which not only fills a significant gap in our knowledge of a vital period in the history of Christianity but also makes fascinating reading in its portrayal of a truly remarkable personality      St Mungo's Robin Pat McIntosh,2011-09-01 The warden of St Serf s has been found dead in the almshouse garden He appears to have been killed on the previous night but there are those who are convinced he was present at that morning s service The elderly residents the almshouse nurse and Humphrey her deranged favourite have all been set against one another by the dead man s scheming and then there is the discarded mistress and almshouse ghost to consider Tracing the dead man s last movements between the Cathedral precinct and the shores of the Clyde Gil Cunningham is both helped and hindered by his two sisters who have come to Glasgow for his wedding to Alys An uncanny event followed by the arrival of Gil s godfather precipitates the crisis Finally it is Alys who helps Gil identify the warden s killer PRAISE FOR PAT MCINTOSH McIntosh s characterisations and period detail are first rate and bode well for future entries in this series Publishers Weekly The next Cunningham adventure is to be welcomed Historical Novels Review
