Markides, 2007-12-18 In Kyriacos C Markides s newest book Eastern Orthodox mysticism meets Western Christianity as the internationally renowned author takes readers on a deep journey back in time to unveil the very roots of authentic spirituality In his previous book The Mountain of Silence Markides introduced us to the essential spiritual nature of Eastern Orthodoxy in a series of lively conversations with Father Maximos the widely revered charismatic Orthodox bishop and former abbot of the isolated monastery on Mount Athos In Gifts of the Desert Markides continues his examination of Eastern Orthodox mystical teachings and practices and captures its living expression through visits to monasteries and hermitages in Greece and America and interviews with contemporary charismatic elders both male and female Markides s pursuit of a deeper understanding of Orthodoxy takes him to the deserts of Arizona and a stay at a new monastery in Sedona to the island of Cyprus and a reunion with Father Maximos on a pilgrimage to holy shrines aboard a cruise ship in the Aegean Sea and finally to the legendary Mount Athos home to more than two thousand Orthodox monks Markides relates his journey and reflections in a captivating style while providing important background material and information on historical events to give readers a highly accessible in depth portrait of a tradition little known in the West Gifts of the Desert will appeal to a wide range of people from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved on Mount Athos since the fall of the Byzantine Empire and the Great Schism that separated the Eastern and Western Churches Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the worldly and the spiritual      **Christ the Eternal Tao** Damascene (Hieromonk), 2004 Christ the eternal Tao shows Lao Tzu s Tao Teh Ching as a foreshadowing of what would be revealed by Christ and Lao Tzu himself as a Far Eastern prophet of the Incarnate God Back cover      *The Road to Lentekada* Matthew Fronimos, 2023-05-23 Few journeys in life follow a straight line from one point to another Whether it be meandering without a schedule or a long and arduous sojourn most journeys involve adventure adversity setbacks and unexpected joy that surpass one s expectations Such is the nature of the Road to Lentekada with its many twists and turns as the author searches for his ancestral home in Greece Fascinated by culture language history and genealogy since his youth the author takes us on a journey to Greece where he searches for tangible evidence of his roots including the actual homes of his grandparents who immigrated to America in the second decade of the twentieth century The author inspired by the biblical command to honor thy father and mother seeks to extend this to his grandparents and beyond In 2016 the author returned to Greece on vacation thirty four years after having lived in Athens while serving with the United States Air Force He shares many personal nonclassified anecdotes about his experience of living in the land of his ancestors during the early 1980s He takes us through his old neighborhood which includes a visit to his former apartment as well as a tour through the former Hellenikon Air Base which had been closed and left abandoned for more than twenty five years Of course no trip to

Greece is complete without a jaunt to see the antiquities and a voyage to the islands For the majority of the journey the author takes us to the small town of Kyparissia in the southwestern Peloponnese where he sets out to learn more about his ancestors and where they once lived He seeks to find the mystical village of Lentekada a place that his father spoke of but one that he could never find on a map Whether by chance or divine appointment the author had a series of encounters that enabled him to actually make a trip to Lentekada which provided the opportunity to traverse the rugged road that his ancestors once traveled The favorable hand of serendipity continued to point him in the right direction as he met second cousins people that he had no previous knowledge of prior to this 2016 trip He was treated with incredible kindness and warmth as these relatives welcome him home to the patria his homeland though he was born and raised in the USA They also assisted with sharing information that helped arrange the puzzle pieces of the amazing family story Accompany the author on his true life pilgrimage as he searches for his ancestral home Are you ready to embark on the journey as we travel along the Road to Lentekada
