Saints As They Really Are Michael Plekon, 2012-05-15 In his new book *Saints As They Really Are* priest and scholar Michael Plekon traces the spiritual journeys of several American Christians using their memoirs and other writings These saints in the making show all their doubts and imperfections as they reflect on their search for God and their efforts to lead holy lives They are gifted yet ordinary women and men trying to follow Christ within their flawed and broken humanity saints as they really are as Dorothy Day put it *Saints As They Really Are* is the third book in Plekon's critically acclaimed series on saints and holiness in our time He draws on the autobiographical work of Dorothy Day Peter Berger Thomas Merton Kathleen Norris and Barbara Brown Taylor among others as well as from his own experiences as a Carmelite seminarian and brother Plekon shares the power of these individuals' stories as they unfold The book offers a strong argument that our failings and weaknesses are not disqualifications to holiness Plekon further confronts the institutional church and its relationship to individuals seeking God focusing on some of the challenges to this search the destructive potential of religion and religious institutions as well as our personal tendencies to extremism overwork pious obsessions and legalism But he also underscores the healing qualities of faith and the spiritual life Plekon's insights will help readers better understand their own spiritual pilgrimages as they learn how others have dealt with the trials and joys of their path to everyday holiness

Holiness of Life Saint

Bonaventure, Aeterna Press, 2015-02-22 Blessed is the man whom Thou shalt instruct O Lord and shalt teach out of Thy Law Ps xciii 12 I hold that only the man taught by the Holy Spirit and imbued with His blessed unction is to be considered wise The Prophet David lays down the same principle he alone is really happy and wise whose mind the Lord has made learned in the Law The Law of God David notes elsewhere Ps xviii 8 is the only law without fault and irreproachable It alone has the secret of converting souls to the way of salvation Aeterna Press

Lessons from the Lives of the Saints Fr Ph Esper, Joseph M.

Esper, 2016-04-07 Take a prayerful walk through the Church's liturgical calendar with *Lessons from the Lives of the Saints* Each day contains a concise biography of these heroic men and women the Church venerates as saints Fr Esper provides a brief overview of each saint's life and explains simple lessons we can draw from his or her example This book is a fantastic resource for our daily spiritual reading and meditation a helpful guide that teaches us how to apply the saint's secrets of holiness to our own daily life Important life lessons that we can learn from the Saints How true joy comes not from earthly status but from following Christ like St Francis of Assisi How God answers our prayers but often in a way demanding our patience Like Mary Magdalene how no one is beyond the power of the grace of God How we can worship God and grow in holiness through both work and prayer sometimes combined How through charity and prayer impossible situations can be

transformed and family members converted How Christians may be called upon to endure great sufferings but if so God will always sustain us **Saints for Sinners** Alban Goodier, 1970 God's grace can conquer every human flaw Christ came not to call saints but to make them often out of weak stupid and sinful men That's why the saints are not only models of holiness for us to imitate they're also reminders that God's grace can outshine every human flaw Holiness for Everyone Eric Sammons, 2012-04-26 God intends nothing less than sainthood for you The early Church held that all believers could achieve holiness Over time this conviction was largely forgotten Sainthood seemed to be an honor only intended for a select few among the priests and religious Eric Sammons tells how twentieth century Spanish priest and canonized saint Josemaria Escriva the founder of Opus Dei recovered the message of the universal call to holiness Declared the saint of ordinary life by Pope John Paul II St Josemaria developed a spirituality directed toward the sanctity of every man and woman His legacy is the belief that each of us can by God's grace achieve holiness through the course of our ordinary life and work The heart of Sammons' practical guide to the spiritual life is a detailed examination of the steps in St Josemaria's thoughtful plan for building a saintly life in spite of your hectic work and home life in a world filled with distractions and temptations Strive for your own personal holiness as you implement your daily plan to Be a Contemplative in the Midst of a Busy World Live a Life of Prayer Recognize the Presence of God Make a Plan of Life Make Your Work a Way to Heaven Holiness for Everyone will inspire you as it sets your feet on the path to sainthood Eric Sammons shows that St Josemaria has recovered the most powerful truth of classic Christianity and restated it in a way that is compelling for men and women of our time From the Foreword by Scott Hahn
