## **Saint Thomas:**

**Saint Thomas Aquinas** Mary Fabyan Windeatt,1995-07 The Dumb Ox was a perfect nickname for young Thomas Aquinas although it was none too kind Thomas was big slow to speak a quiet and solemn youth Even Father Albert was inclined to think him rather dull No one knew about Thomas amazing memory or that he knew most of the Bible by heart or that no subject was difficult for him One day Thomas decided to amuse himself by writing a paper on a really hard problem in Theology Then somehow after writing it he lost it A few days later the paper turned up on Father Albert s desk Father Albert read it then called Thomas to his cell Brother Thomas he asked as the student entered the room did you write this This book describes what happened next plus the other events in Thomas remarkable life It tells how his mother fought against his vocation how his brothers kidnapped him and put him in a tower how his sisters helped him and how angels brought him some thing from Heaven All in all this book shows how Thomas The Dumb Ox came to be the Patron of Catholic Schools and the greatest teacher ever in the history of the Catholic Church

**Saint Thomas Aquinas** Mary Ellen Evans,Margaret Nichols,Geoffrey Gneuhs,Robert Staes,2014-03-15 Saint Thomas Aquinas is a saint for the ages He is also a saint for all ages now thanks to the work of Mary Ellen Evans Geoffrey Gneuhs and Margaret Nichols In this narrative retelling of the life of the great theologian our saint comes alive for young readers looking to find out about the life of such a gifted mind without having to struggle with the deep philosophy in which he finds the profound truths of God This is a great introduction to this Dominican saint and is very readable for all ages

**The Oxford Handbook of Aquinas** Brian Davies,Eleonore Stump,2011-07-01 Thomas Aquinas 1224-6 1274 lived an active demanding academic and ecclesiastical life that ended while he was still comparatively young He nonetheless produced many works varying in length from a few pages to a few volumes The present book is an introduction to this influential author and a guide to his thought on almost all the major topics on which he wrote The book begins with an account of Aquinas's life and works The next section contains a series of essays that set Aquinas in his intellectual context They focus on the philosophical sources that are likely to have influenced his thinking the most prominent of which were certain Greek philosophers chiefly Aristotle Latin Christian writers such as Augustine and Jewish and Islamic authors such as Maimonides and Avicenna The subsequent sections of the book address topics that Aquinas himself discussed These include metaphysics the existence and nature of God ethics and action theory epistemology

philosophy of mind and human nature the nature of language and an array of theological topics including Trinity Incarnation sacraments resurrection and the problem of evil among others These sections include more than thirty contributions on topics central to Aquinas s own worldview The final sections of the volume address the development of Aquinas s thought and its historical influence Any attempt to present the views of a philosopher in an earlier historical period that is meant to foster reflection on that thinker s views needs to be both historically faithful and also philosophically engaged The present book combines both exposition and evaluation insofar as its contributors have space to engage in both This Handbook is therefore meant to be useful to someone wanting to learn about Aquinas s philosophy and theology while also looking for help in philosophical interaction with it

*Clean of Heart* Rosemarie Scott,2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins
