## **Saint Athanasius:**

**Saint Athanasius: The Father of Orthodoxy** Frances Alice Forbes, Aeterna Press, 2015-06-30 THE Patriarch of Alexandria Egypt was expecting company He stood at the window of his palace looking down the long road that at the first sign of his guests arrival he might go forth and welcome them Before him like a white pearl in the blue waters of the Mediterranean lay the city of Alexandria the beautiful as men loved to call it Across the harbor the marble tower of the great lighthouse soared up into the clear Eastern sky white as the white cliffs of the Island of Pharos from which it sprang It was noonday and the sunshine lay like a veil of gold over all Aeterna Press      **Saint Athanasius C. 297-373** Frances Alice Forbes, Rscj, Des Gahan, 2013-01-18 St Athanasius the great champion of the Faith was born at Alexandria about the year 296 of Christian parents Educated under the eye of Alexander later Bishop of his native city he made great progress in learning and virtue In 313 Alexander succeeded Achilles in the Patriarchal See and two years later St Athanasius went to the desert to spend some time in retreat with St Anthony In 319 he became a deacon and even in this capacity he was called upon to take an active part against the rising heresy of Arius an ambitious priest of the Alexandrian Church who denied the Divinity of Christ This was to be the life struggle of St Athanasius In 325 he assisted his Bishop at the Council of Nicaea where his influence began to be felt Five months later Alexander died On his death bed he recommended St Athanasius as his successor In consequence of this Athanasius was unanimously elected Patriarch in 326 His refusal to tolerate the Arian heresy was the cause of many trials and persecutions for St Athanasius He spent seventeen of the forty six years of his episcopate in exile After a life of virtue and suffering this intrepid champion of the Catholic Faith the greatest man of his time died in peace on May 2 373 St Athanasius was a Bishop and Doctor of the Church      *The Monastic Letters of Saint Athanasius the Great* Saint Athanasius, 2023 Fairacres Publications 120 Scholars have often concentrated on the theological writings of St Athanasius c 296 373 AD and on his influence as a religious leader so that his contribution to the monastic life has not received due recognition In these six letters addressed to monks Athanasius is revealed as a wise spiritual guide and loving pastor determined that the monks should receive sound teaching so as to avoid the pitfalls of heresies current at that time As Leslie Barnard notes in his Introduction The permanent significance of these letters lies in their wisdom moderation and balance      *Saint Athanasius* F. A. Forbes, 2016-05-30 From his earliest youth Athanasius had stood forth as the champion of Truth and defender of the Faith a gallant warrior who had not laid down his arms until the day of his death Where a weaker man would have lost courage he had stood firm suffering had only served to temper his spirit as steel is tempered by the fire Among men who were capable of every compromise he had remained loyal and true and few have been more loved or hated than he To his own people he was not only their Bishop but a Saint an ascetic a martyr in all but deed above all he was an intensely lovable personality whose very greatness of soul only made him more compassionate To the outside world he was a guiding light a beacon pointing straight to God and Heaven He was a living example of the truth that a man may be large

minded and yet strong that he may hate error yet love the erring stand like a rock against heresy yet be full of compassion for heretics Scarcely was Athanasius dead when he was honored as a Saint Six years after his death St Gregory Nazianzen speaks of him in one breath with the patriarchs prophets and martyrs who had fought for the Faith and won the crown of glory His influence is with us to this day his memory lingers in the words of that Nicene Creed which was his war cry for it is largely owing to his valor that we possess it still And through all his works breathes the same spirit the spirit that nerved him to fight and suffer an intense love and devotion to Him who was the Lord and Master of his life Jesus Christ the same yesterday today and forever

*Later Treatises of Saint Athanasius* Saint Athanasius, Aeterna Press, The times for which God raised up S Athanasius have in many respects a counterpart in our own There is now too earnest ever enlarging adherence to the faith in those who hold it But there is also a wide spread dislike of definite doctrine such as found a vent in the different shades of Arianism They framed eleven Creeds to satisfy themselves or others over against the one faith put forth at Nic a and accepted by the whole Church They swung to and fro at times approximating nearer to the truth but their secret maxim unknown to themselves was anything but the Truth Aeterna Press

champion of Catholic belief on the subject of the Incarnation that the Church has ever known and in his lifetime earned the characteristic title of Father of Orthodoxy by which he has been distinguished every since This book contains almost 700 pages with his most essential writings as well as valuable introductions to them **On the Incarnation** Saint Athanasius (Patriarch of Alexandria), Penelope Lawson, 1998 New edition revised with a letter of St Athanasius on the interpretation of the Psalms added as an appendix Includes bibliographical references Saint Athanasius of Alexandria George Dion Dragas, 2005 St Cyril of Alexandria St Athanasius great successor tells us Our Father Athanasius of hallowed memory who adorned the throne of the Church of Alexandria for the whole of forty six years and arrayed an unconquerable and apostolic knowledge in battle against the sophistries of the unholy heretics and greatly gladdened the world with his writings as by a most fragrant perfume and all bear witness to the accuracy and piety of his teaching was a man worthy of trust and deserving a confidence since he did not say anything not in agreement with Holy Scripture The present volume consists of a collection of essays which represent original research into the writings of St Athanasius Patriarch of Alexandria 295 373 These essays respond to challenges arising out of the contemporary scholarly studies of St Athanasius theology and writings The new perspectives in Athanasian studies which these essays offer are closer to the original theological legacy of this great Alexandrian Father of the Church who has come down in the history of the Church as the canon of orthodoxy Modern critical research and discussions have too often tended to obscure the Athanasian legacy and bar contemporary theology from the amazing blessings that this great ecumenical teacher and Father of the Church has bequeathed to all Christian generations
